NOTION HOW-TO

How to add a block equation

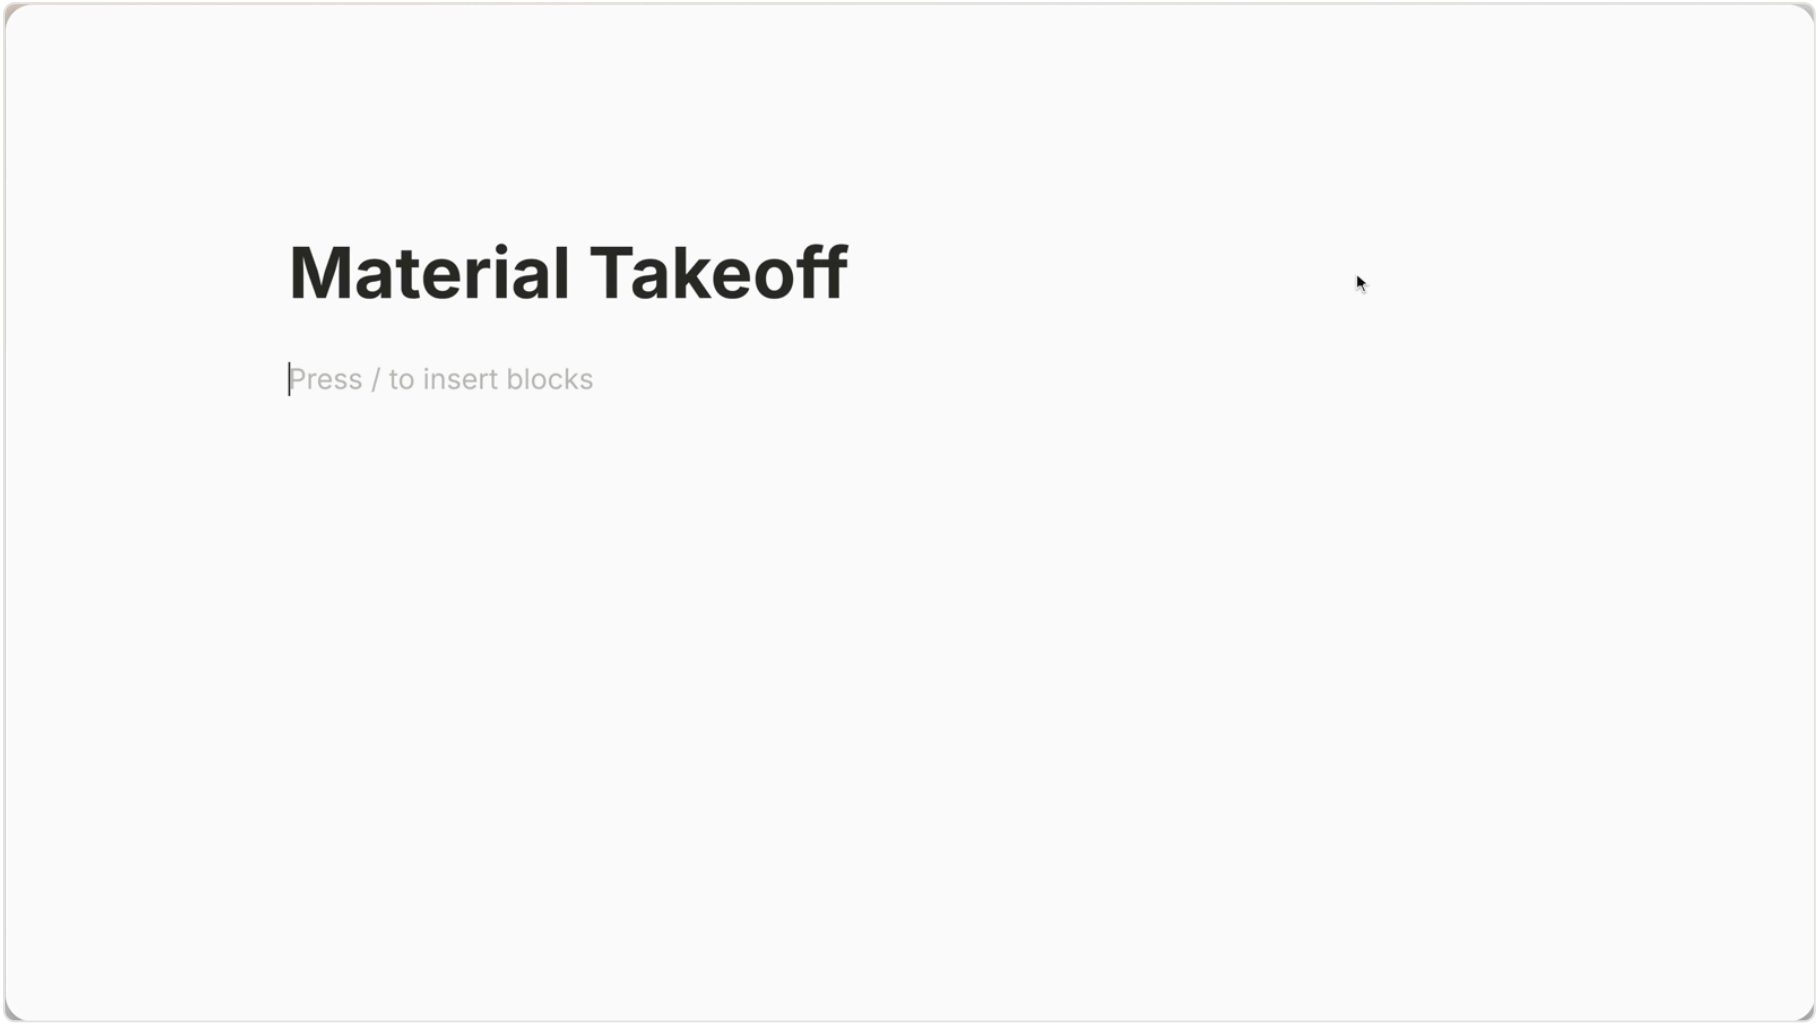

1. Click below the page title
2. Type /equation and choose Block equation
3. Type the formula and press Enter

3 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 3

Click below the page title

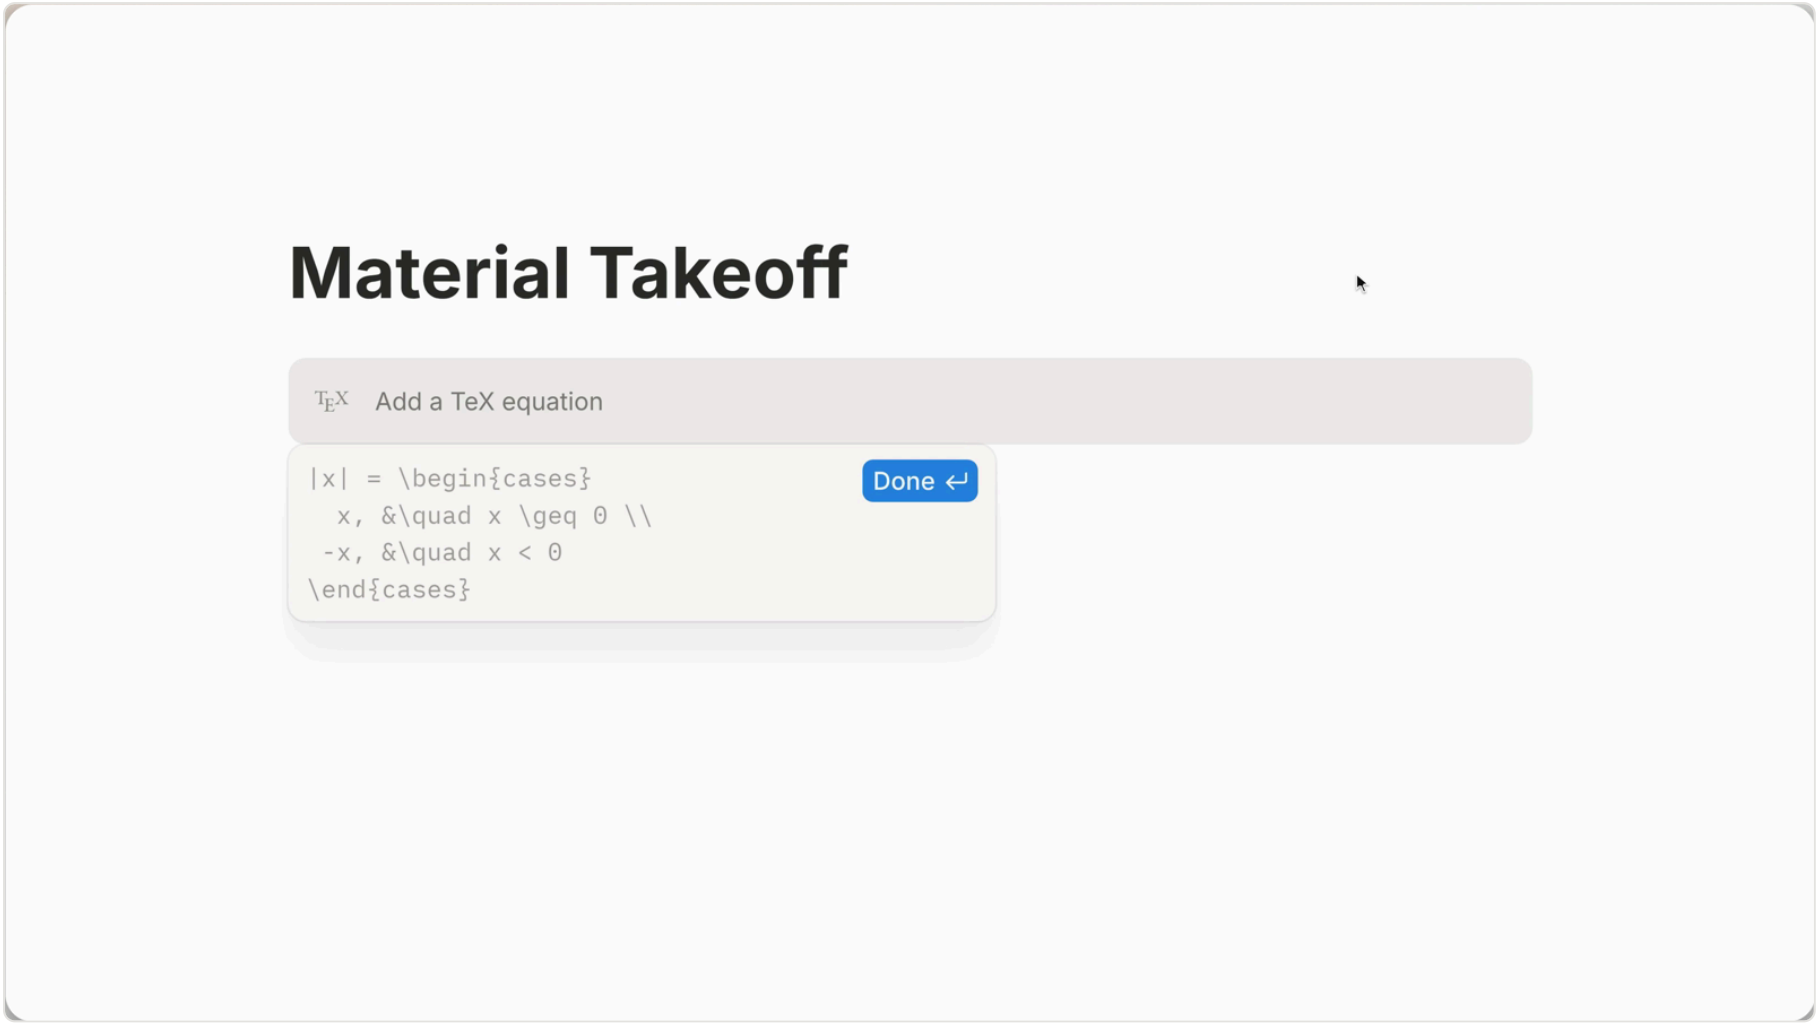

Put your cursor on the empty line where it should go.

Step 2 of 3

Type /equation and choose Block equation

A box opens for the formula.

Step 3 of 3

Type the formula and press Enter

Notion draws it centered on its own line. Click it any time to edit.
