NOTION HOW-TO

# How to change a page's icon

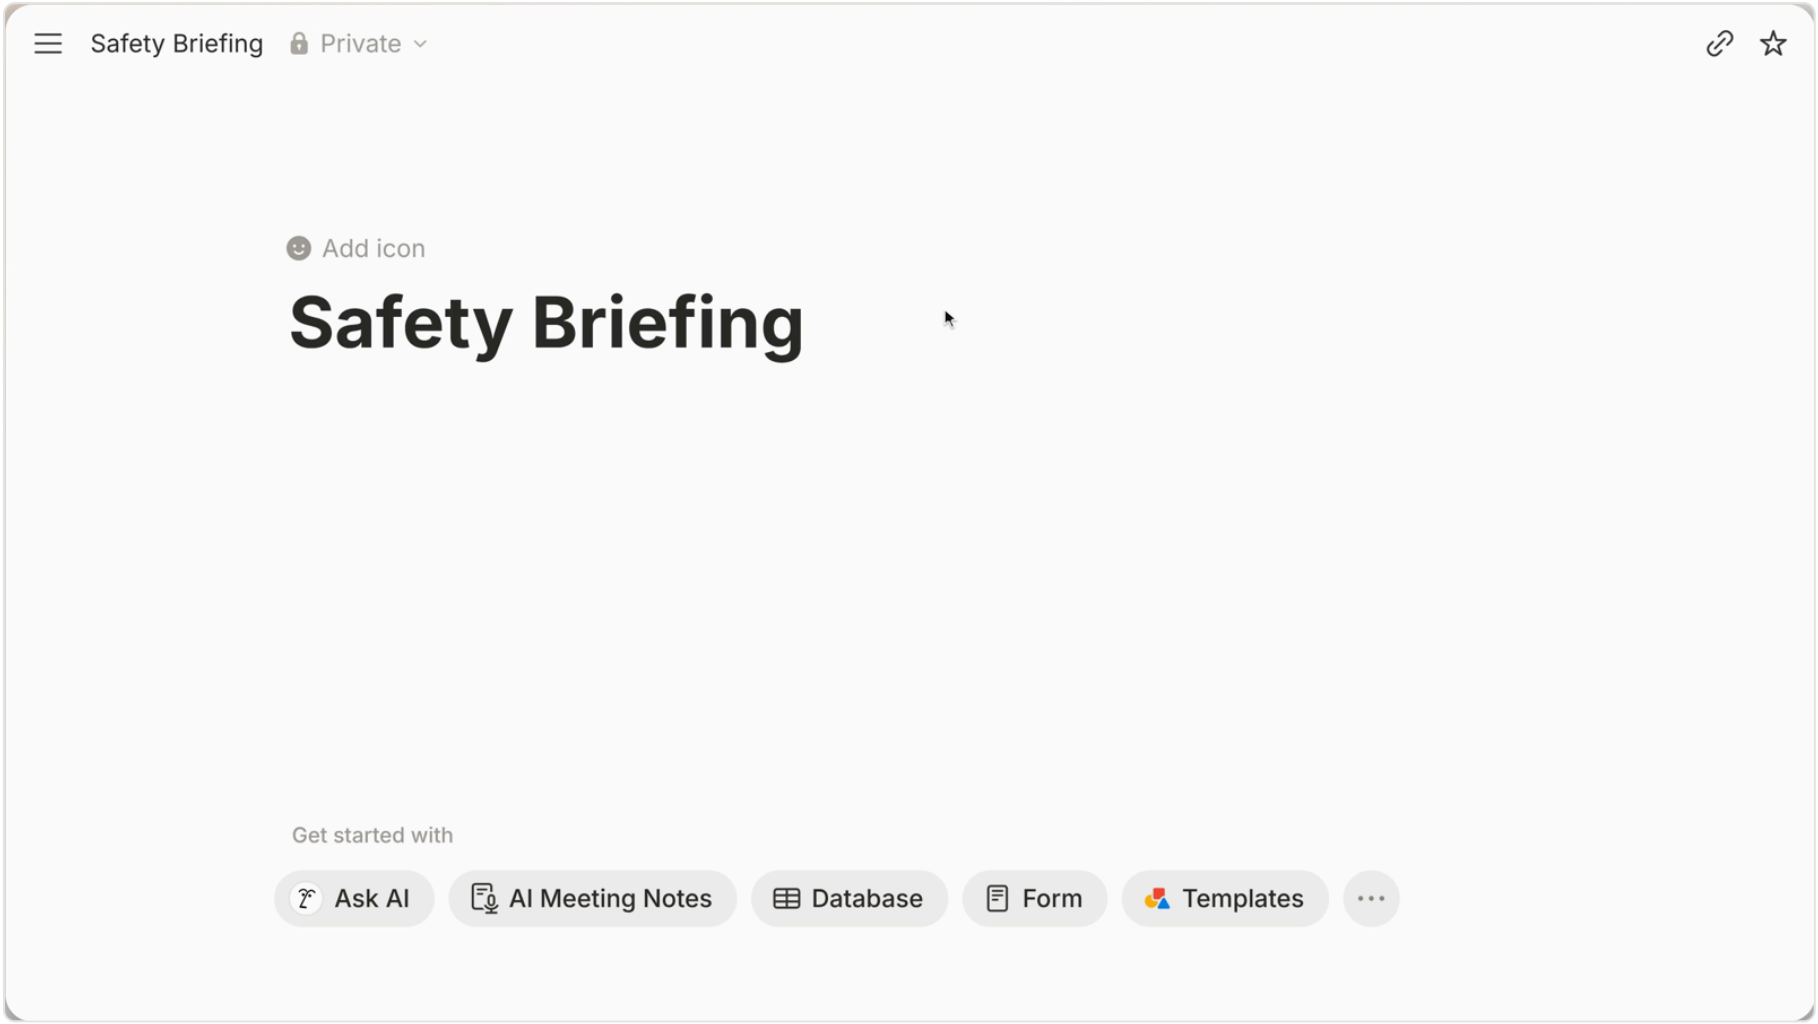

1. Point at the page title
2. Click Add icon
3. Search for an icon and press Enter

3 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 3

# Point at the page title

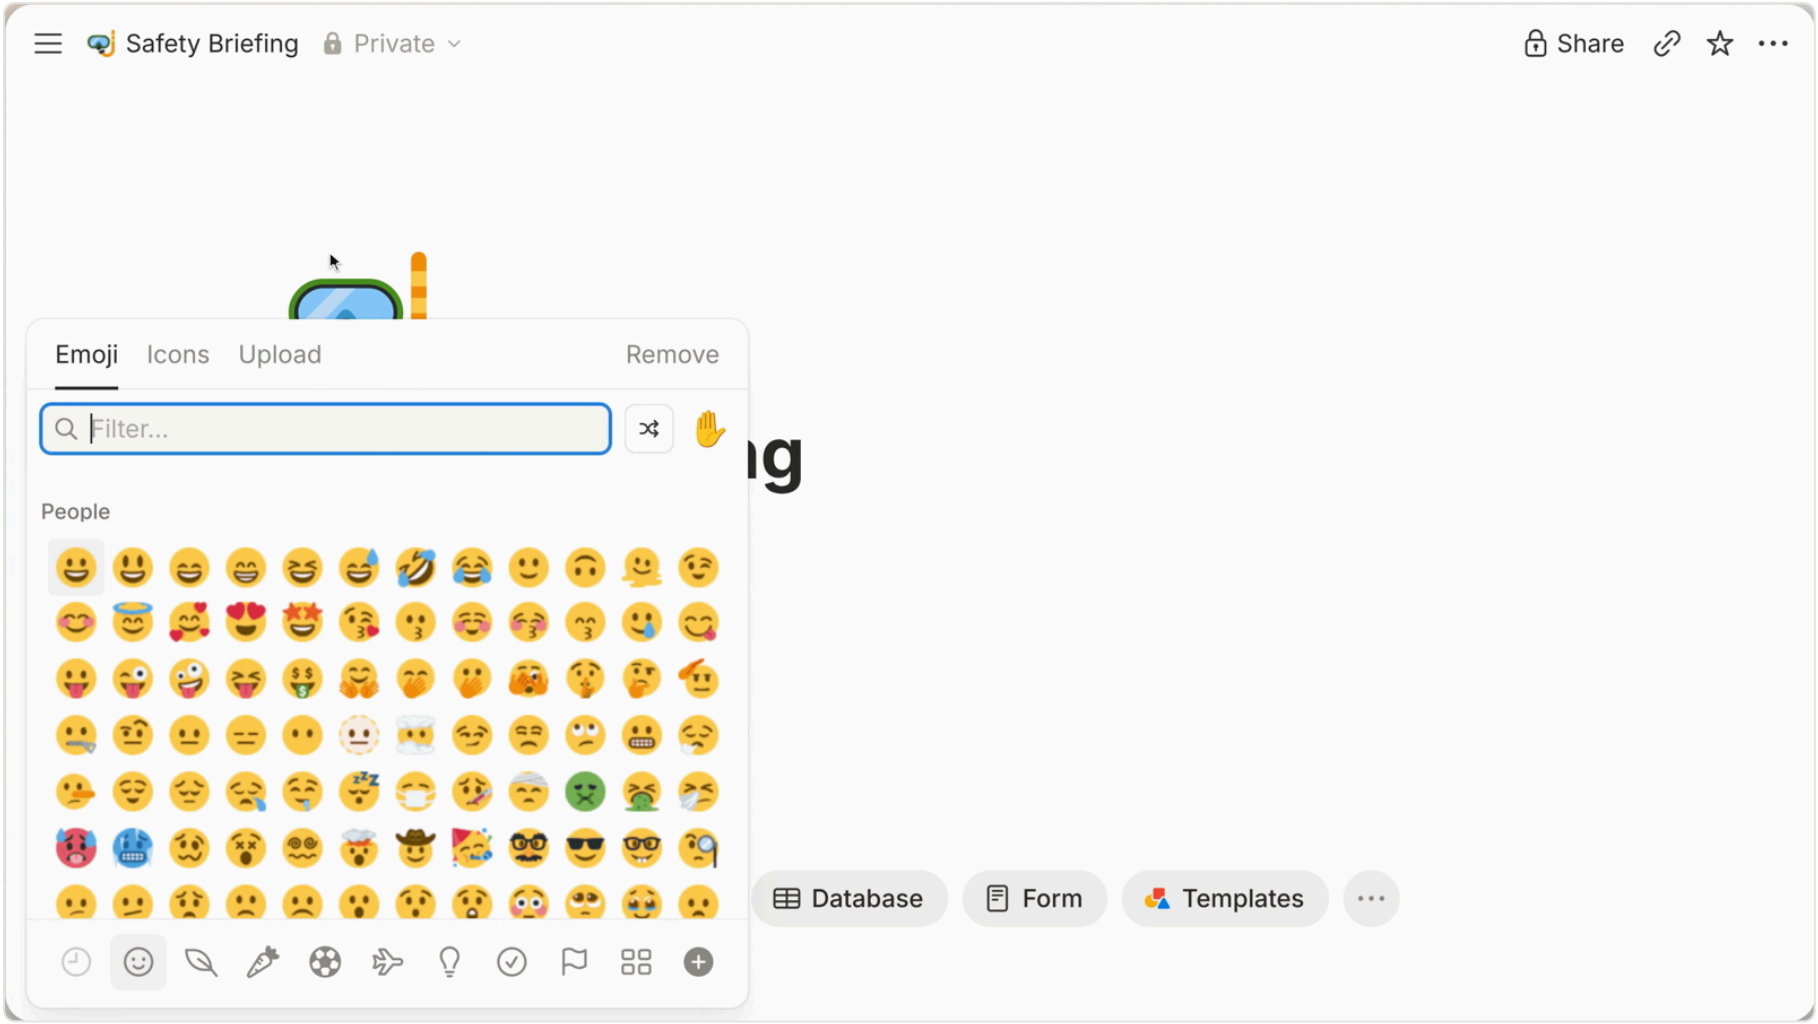

Add icon and Add cover appear above the title.

Step 2 of 3

# Click Add icon

Notion adds a random icon and opens the picker so you can choose another.

Step 3 of 3

# Search for an icon and press Enter

Type a word to filter the emoji, then press Enter for the first one.
