NOTION HOW-TO

# How to change a callout's color

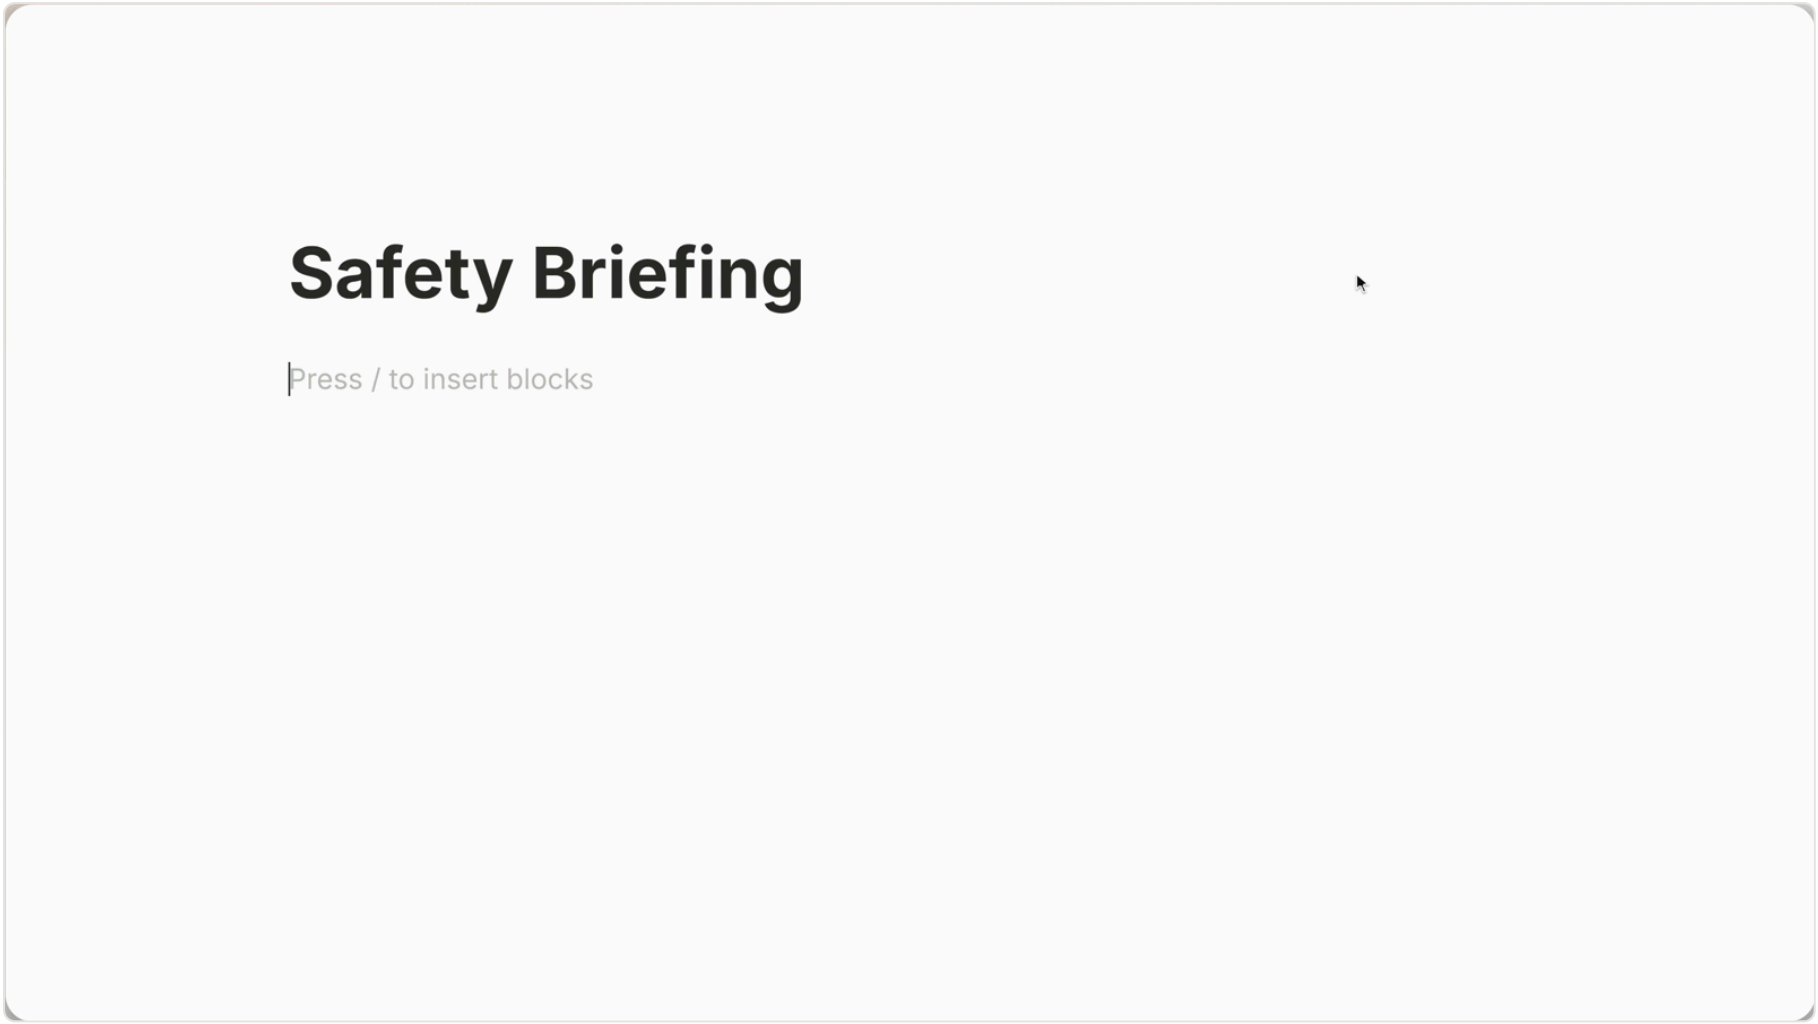

1. Click below the page title
2. Make a callout with your message
3. Type /red background and choose it

3 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 3

# Click below the page title

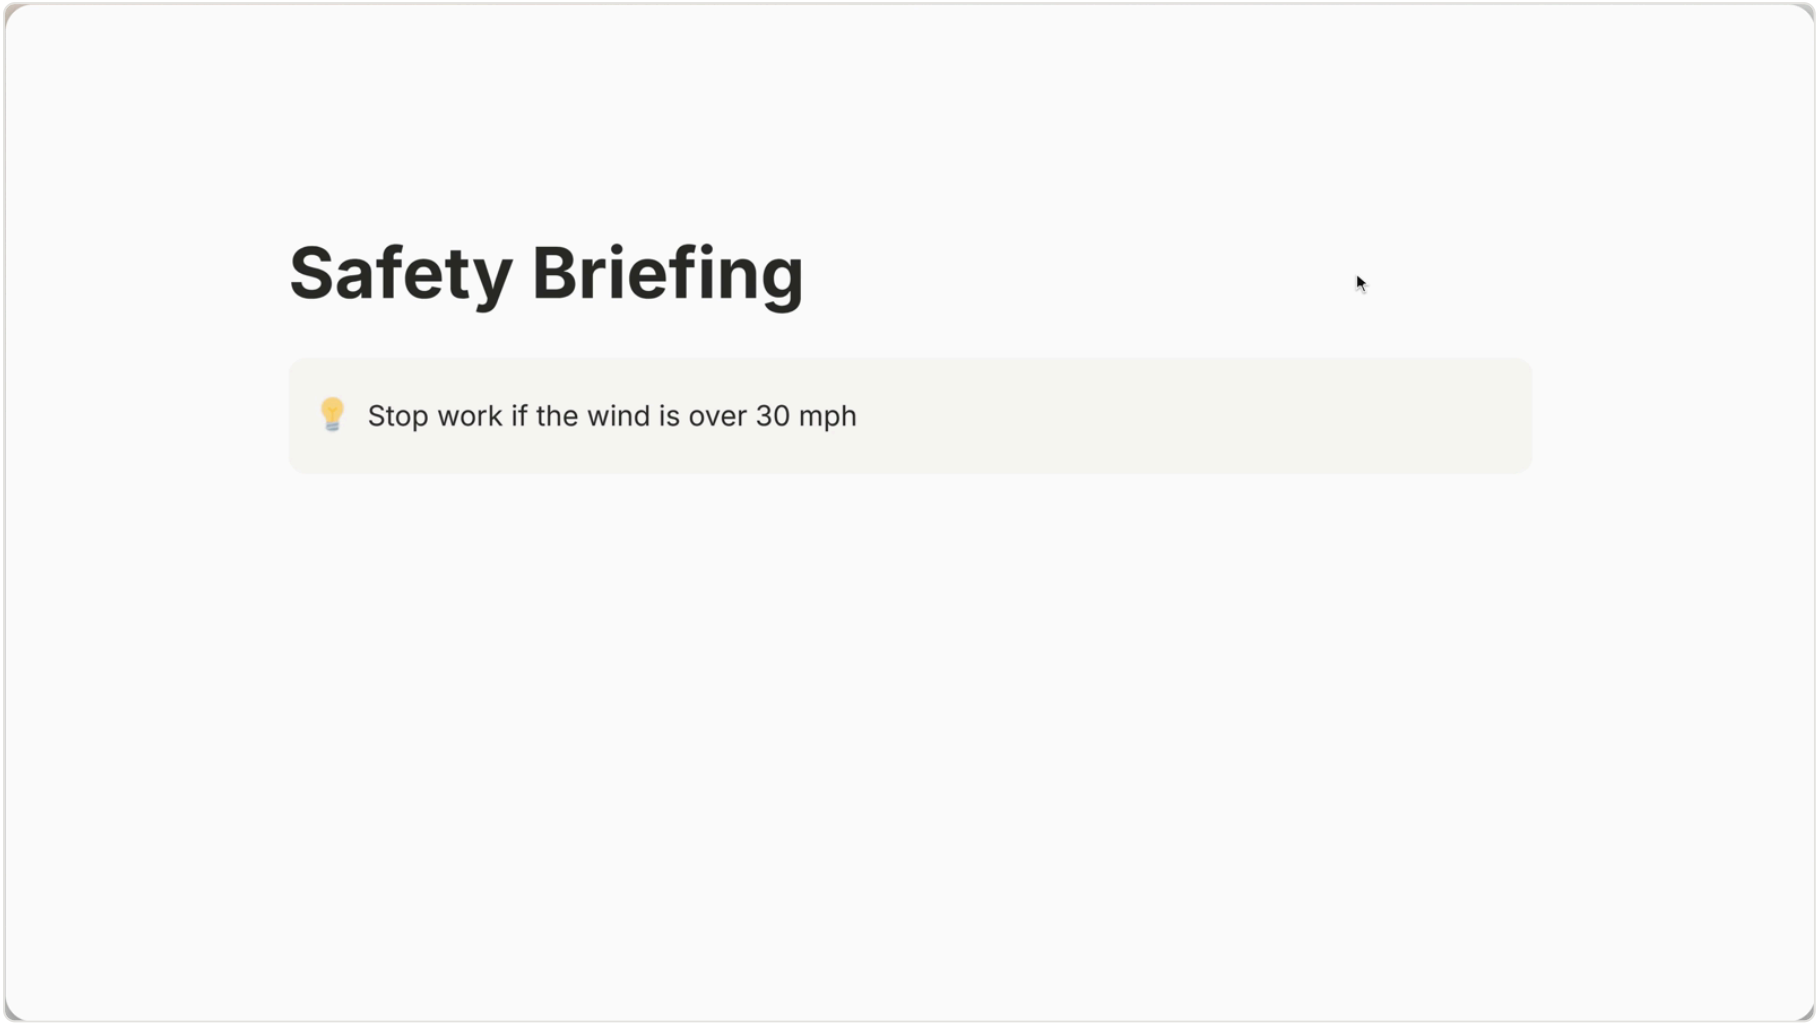

Put your cursor on the empty line where it should go.

Step 2 of 3

# Make a callout with your message

It starts in the default gray.

Step 3 of 3

# Type /red background and choose it

The whole callout turns red. Any color works the same way.
