NOTION HOW-TO

How to add a divider with ---

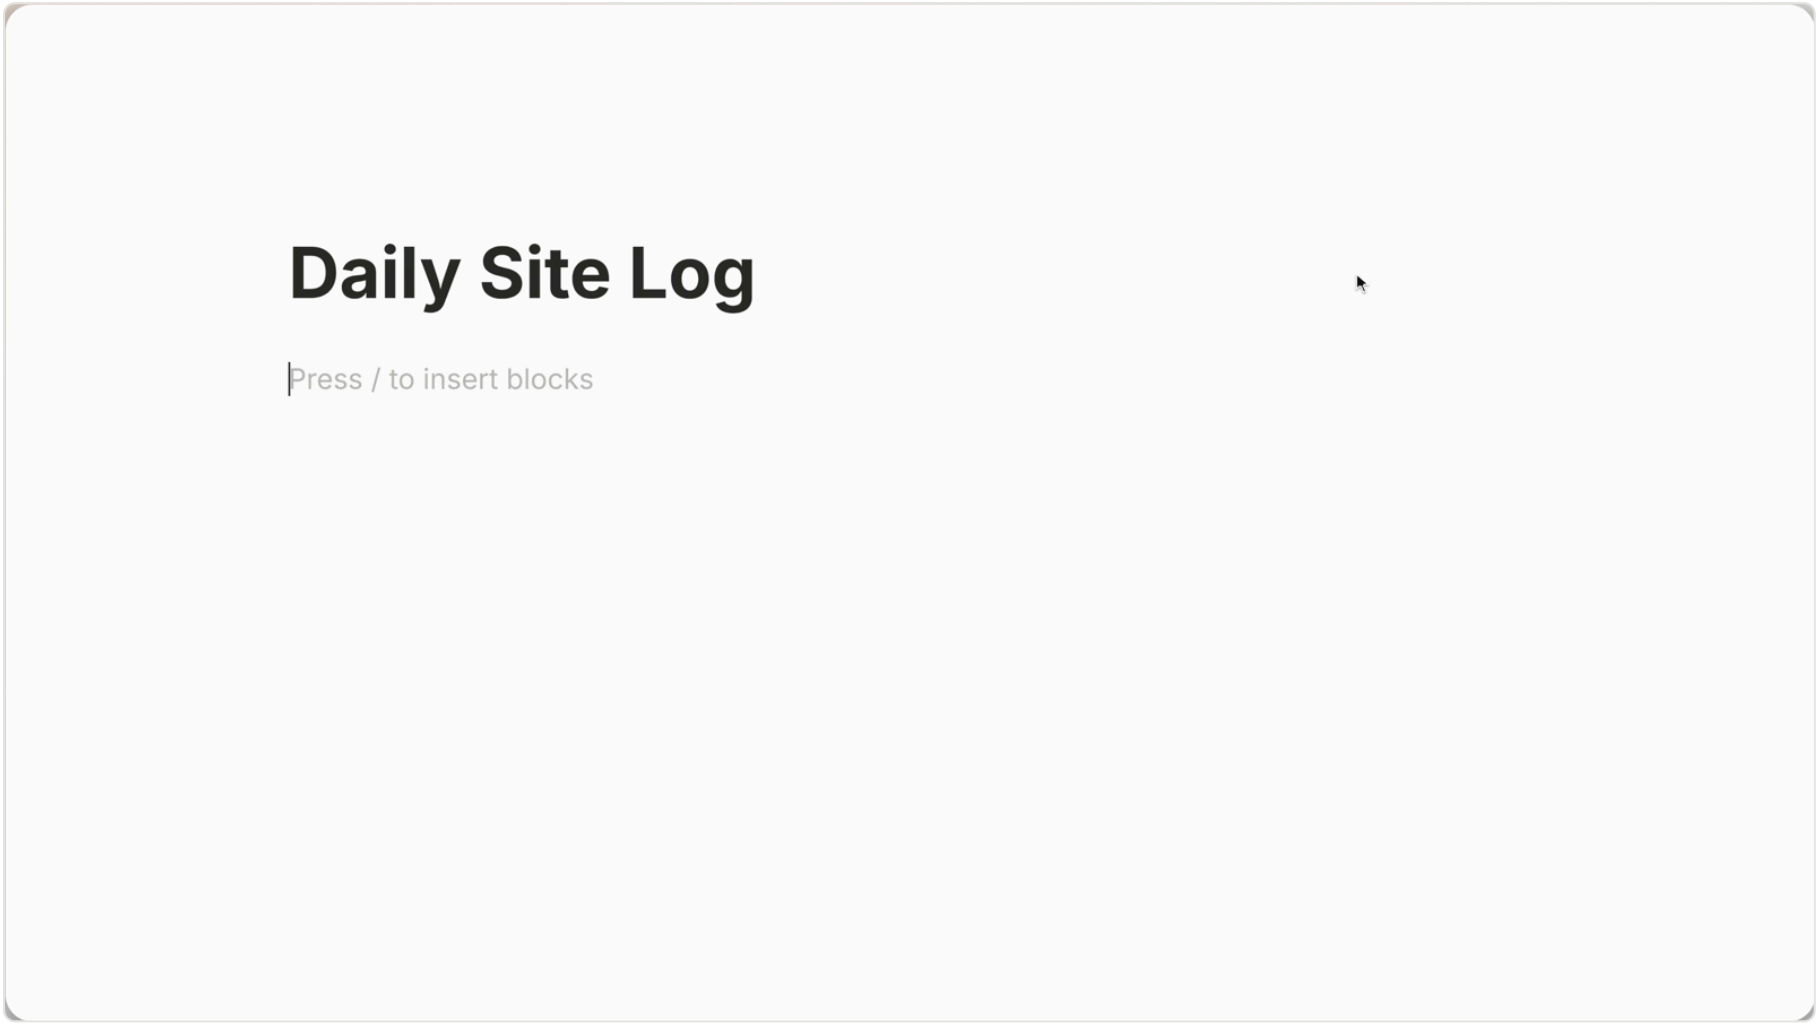

1. Click below the page title
2. Finish the first section
3. Type three dashes
4. Keep writing below it

4 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 4

Click below the page title

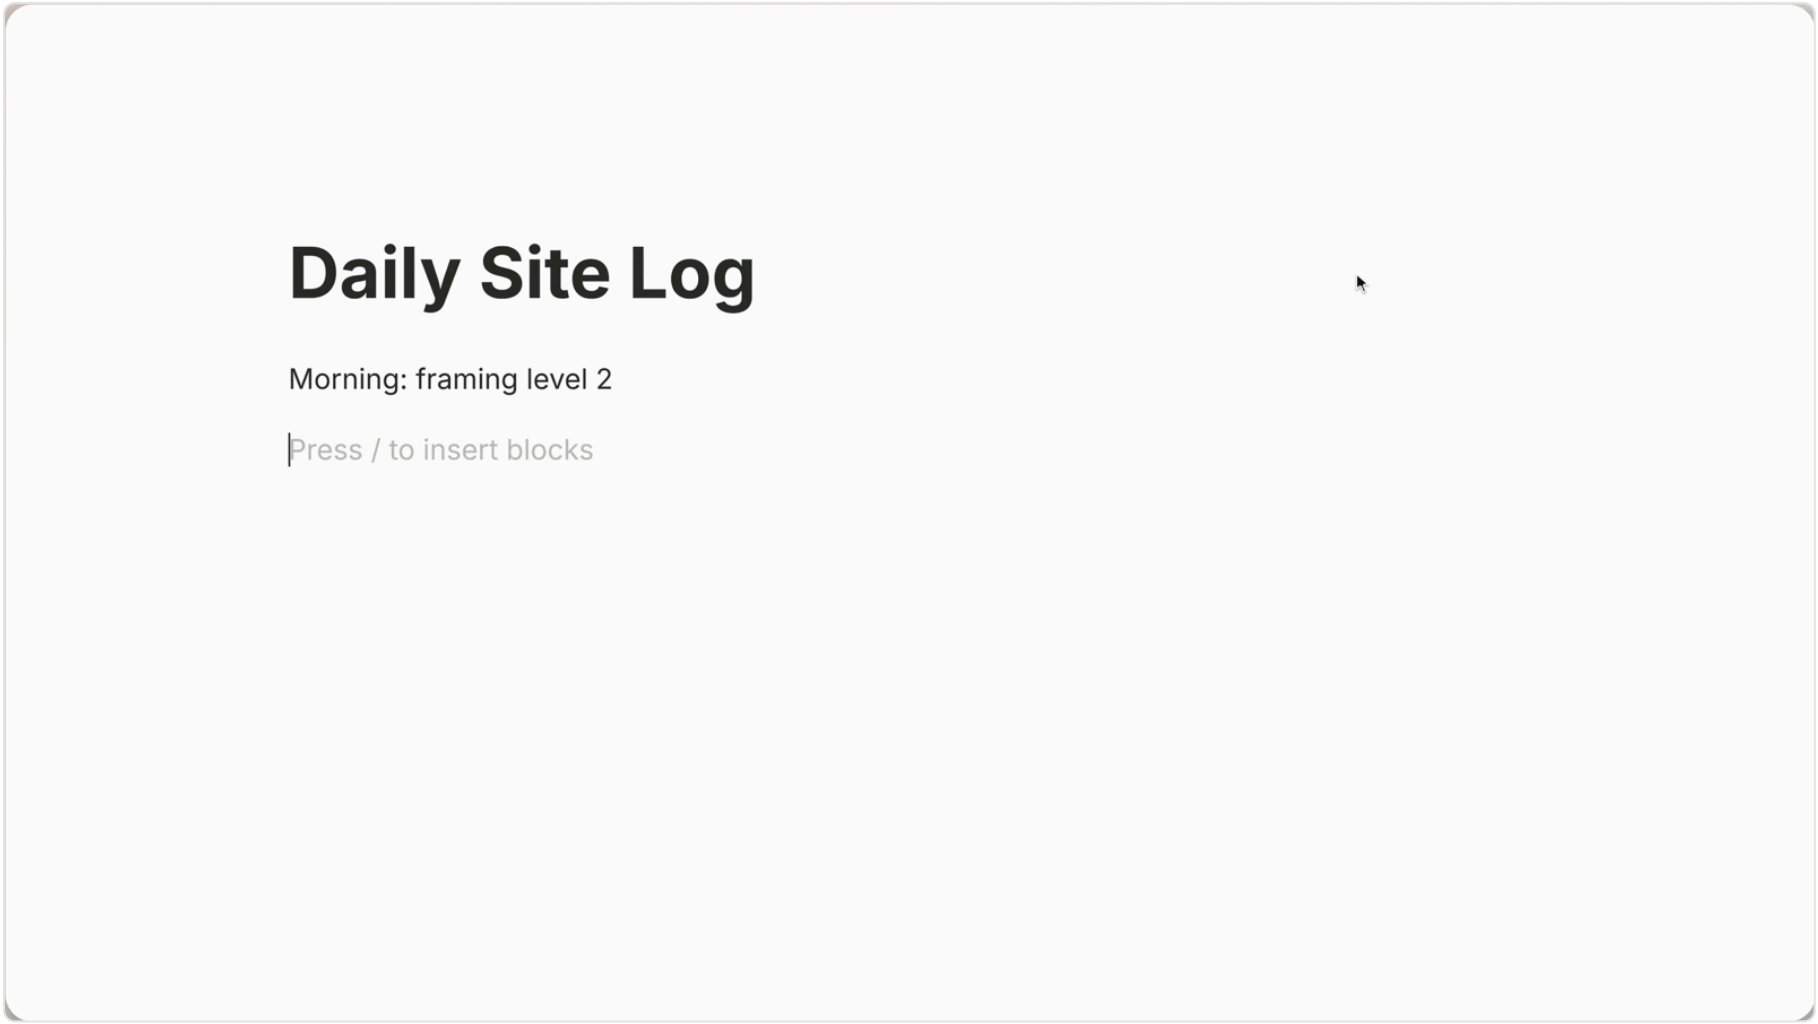

Put your cursor on the empty line where it should go.

Step 2 of 4

Finish the first section

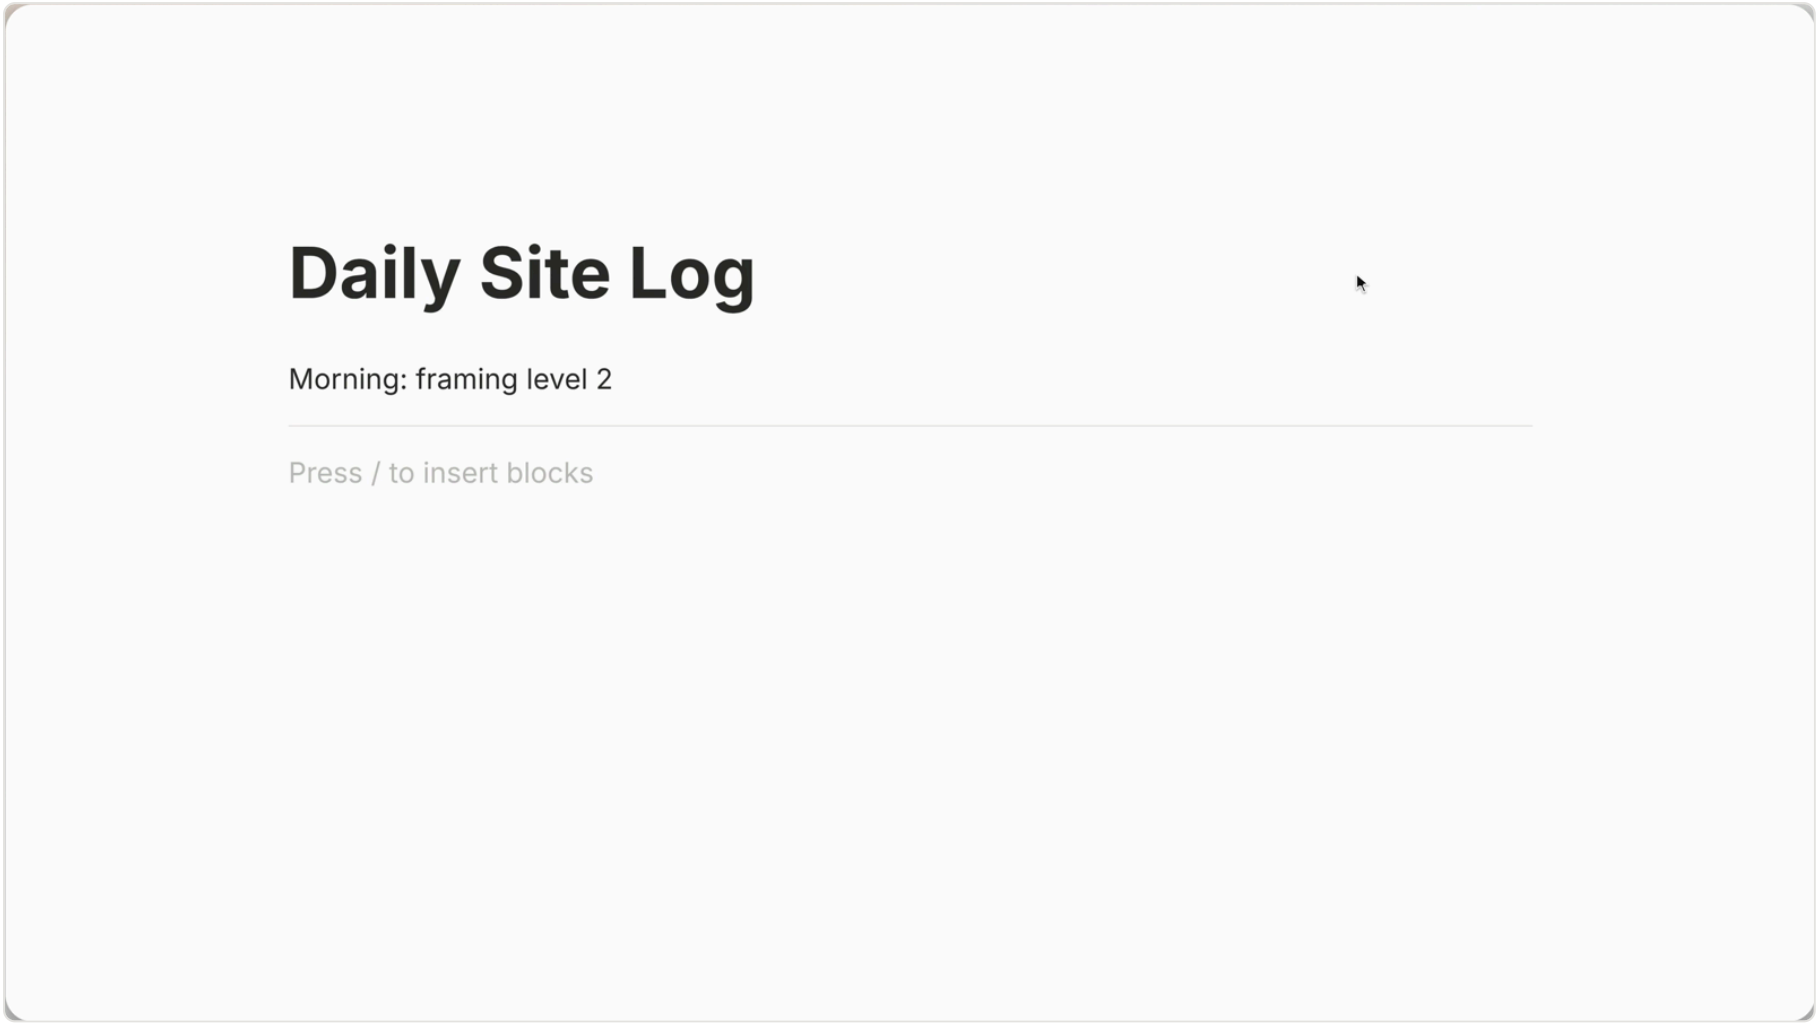

Then start a new line.

Step 3 of 4

Type three dashes

Notion turns --- into a divider line right away.

Step 4 of 4

Keep writing below it

The cursor is already on the next line.
