NOTION HOW-TO

How to filter by status

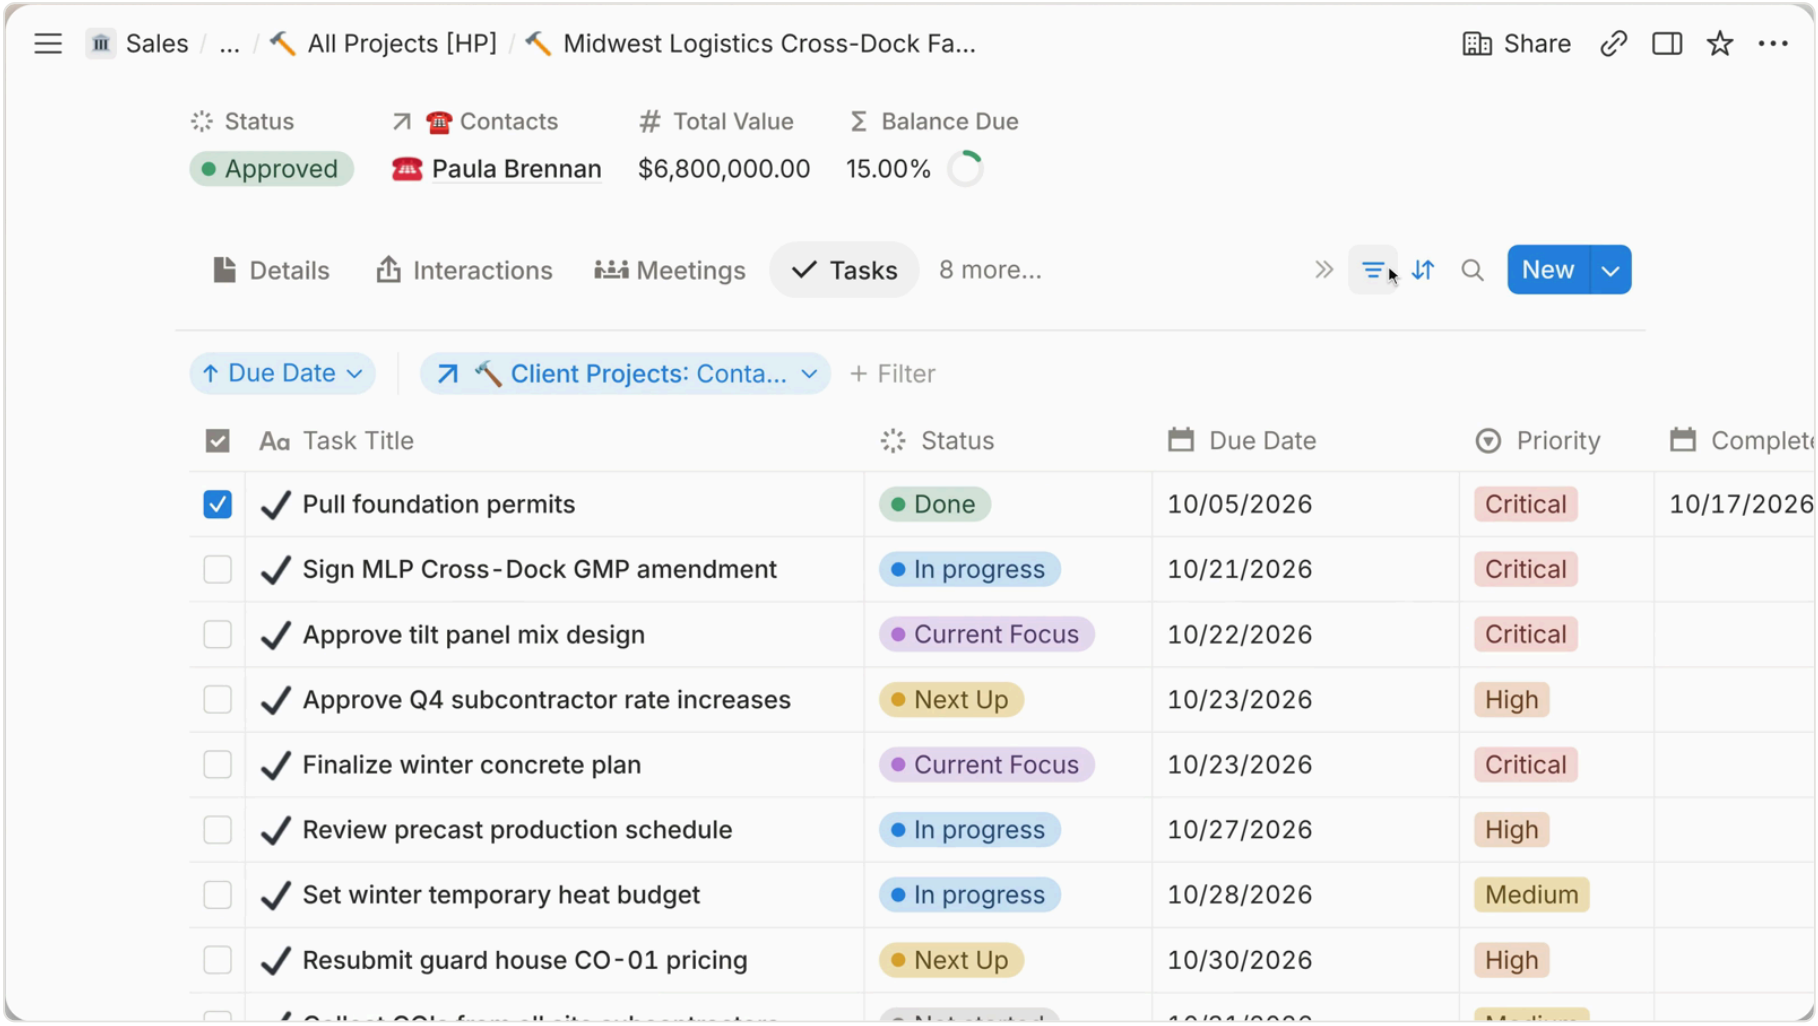

1. Click the funnel to open the filters
2. Click + Filter
3. Type Status and choose it
4. Tick Current Focus

4 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 4

Click the funnel to open the filters

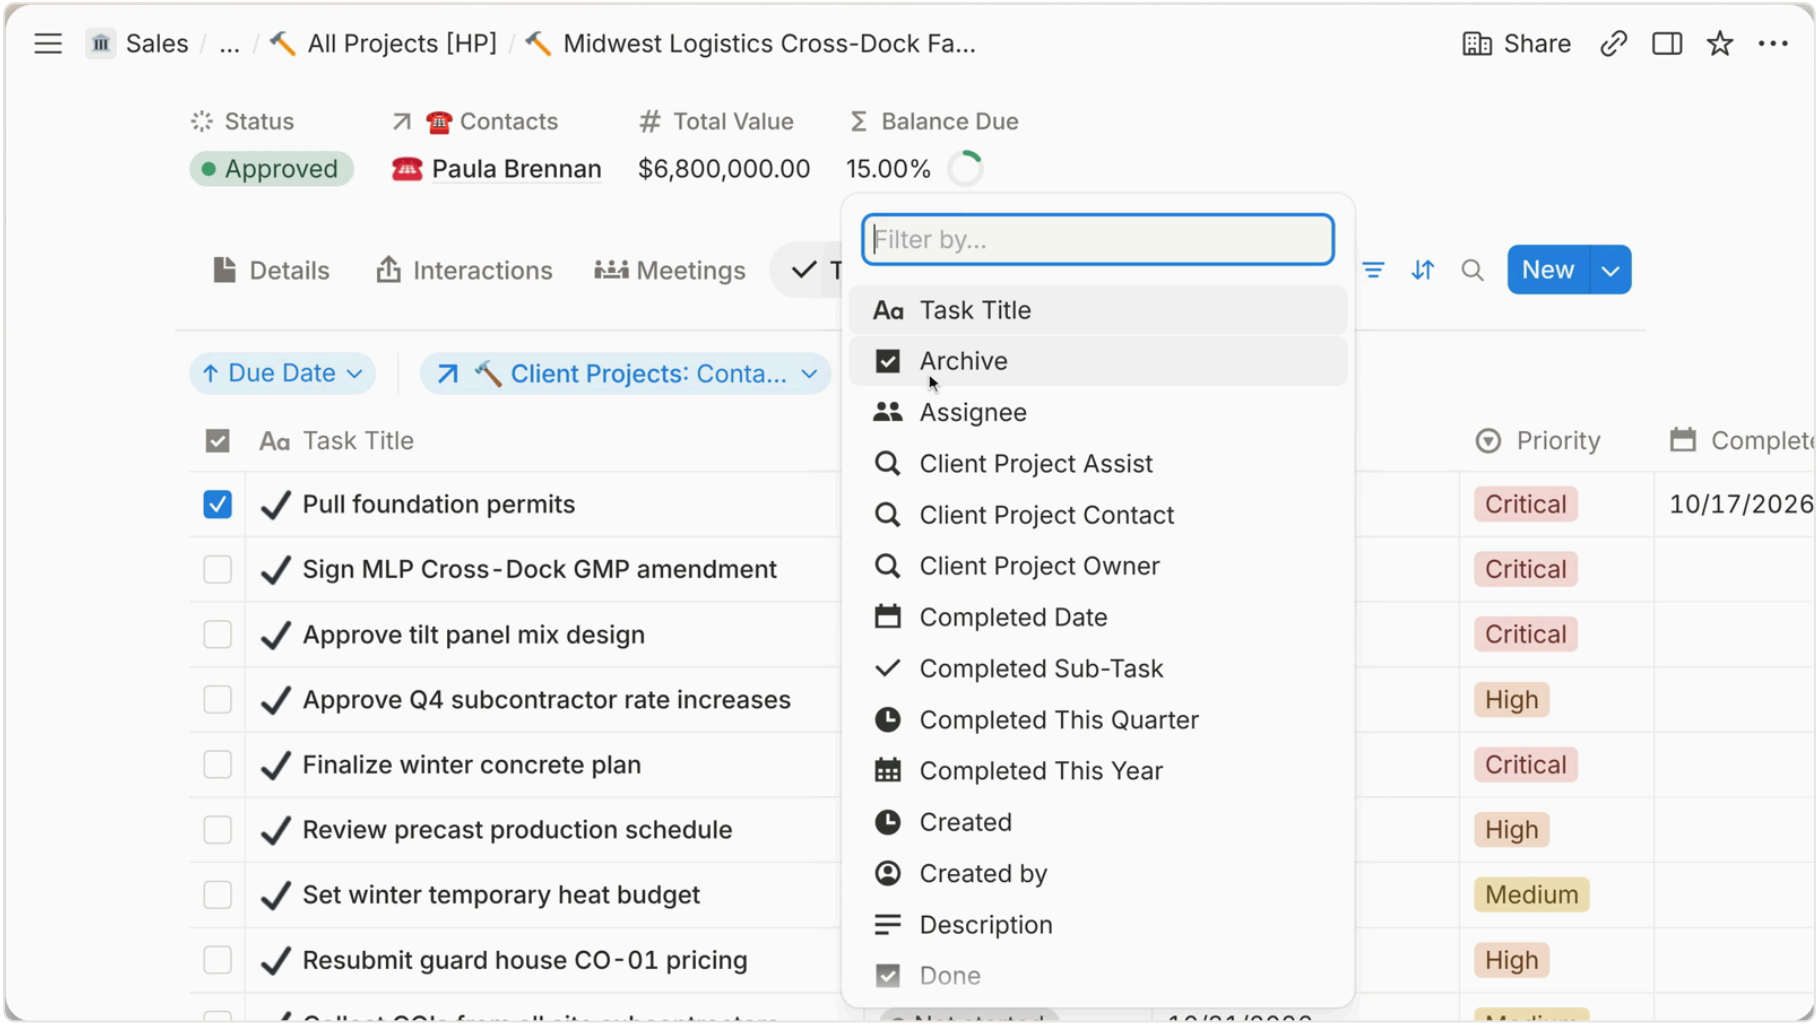

The filter bar opens under the view tabs.

Step 2 of 4

Click + Filter

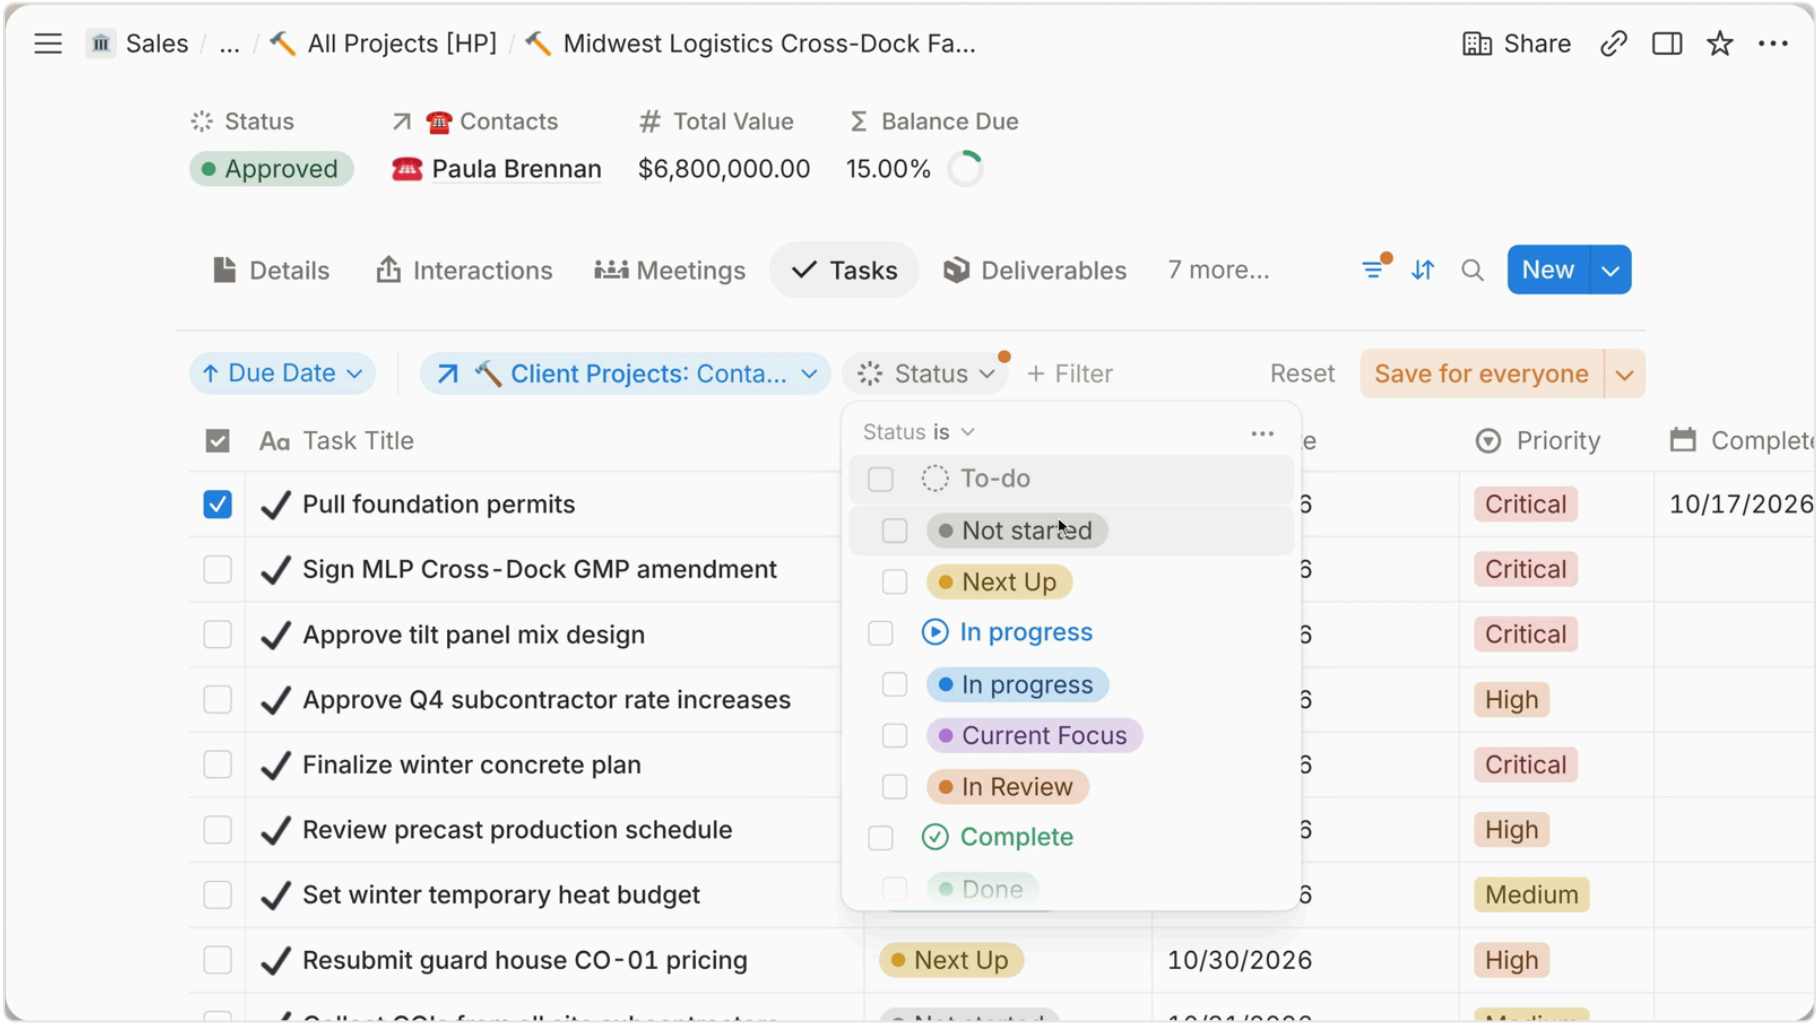

A list of the database's properties opens.

Step 3 of 4

Type Status and choose it

The status options appear as a checklist.

Step 4 of 4

Tick Current Focus

Only tasks in Current Focus stay. Tick more options to see several stages. The filter is yours until you click Save for everyone.
