How to add a Heading 3

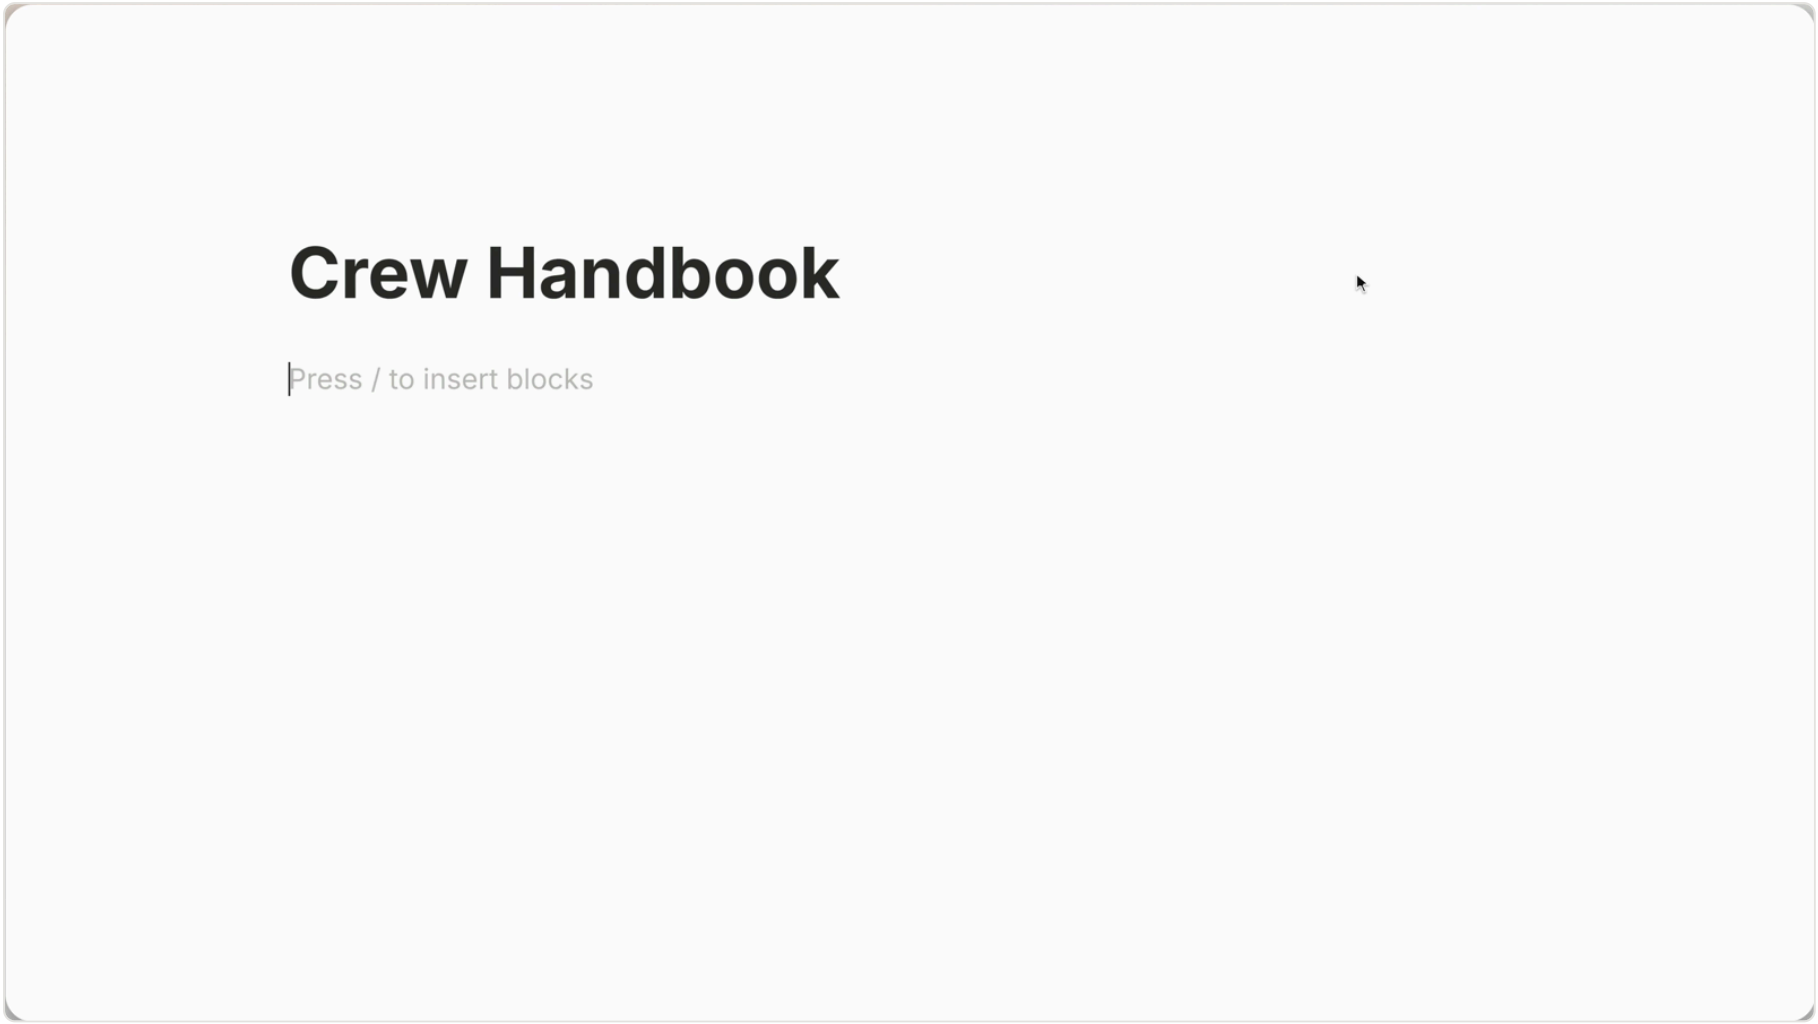

1. Click below the page title
2. Type ### and a space, then the heading
3. Press Enter and write under it

3 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 3

Click below the page title

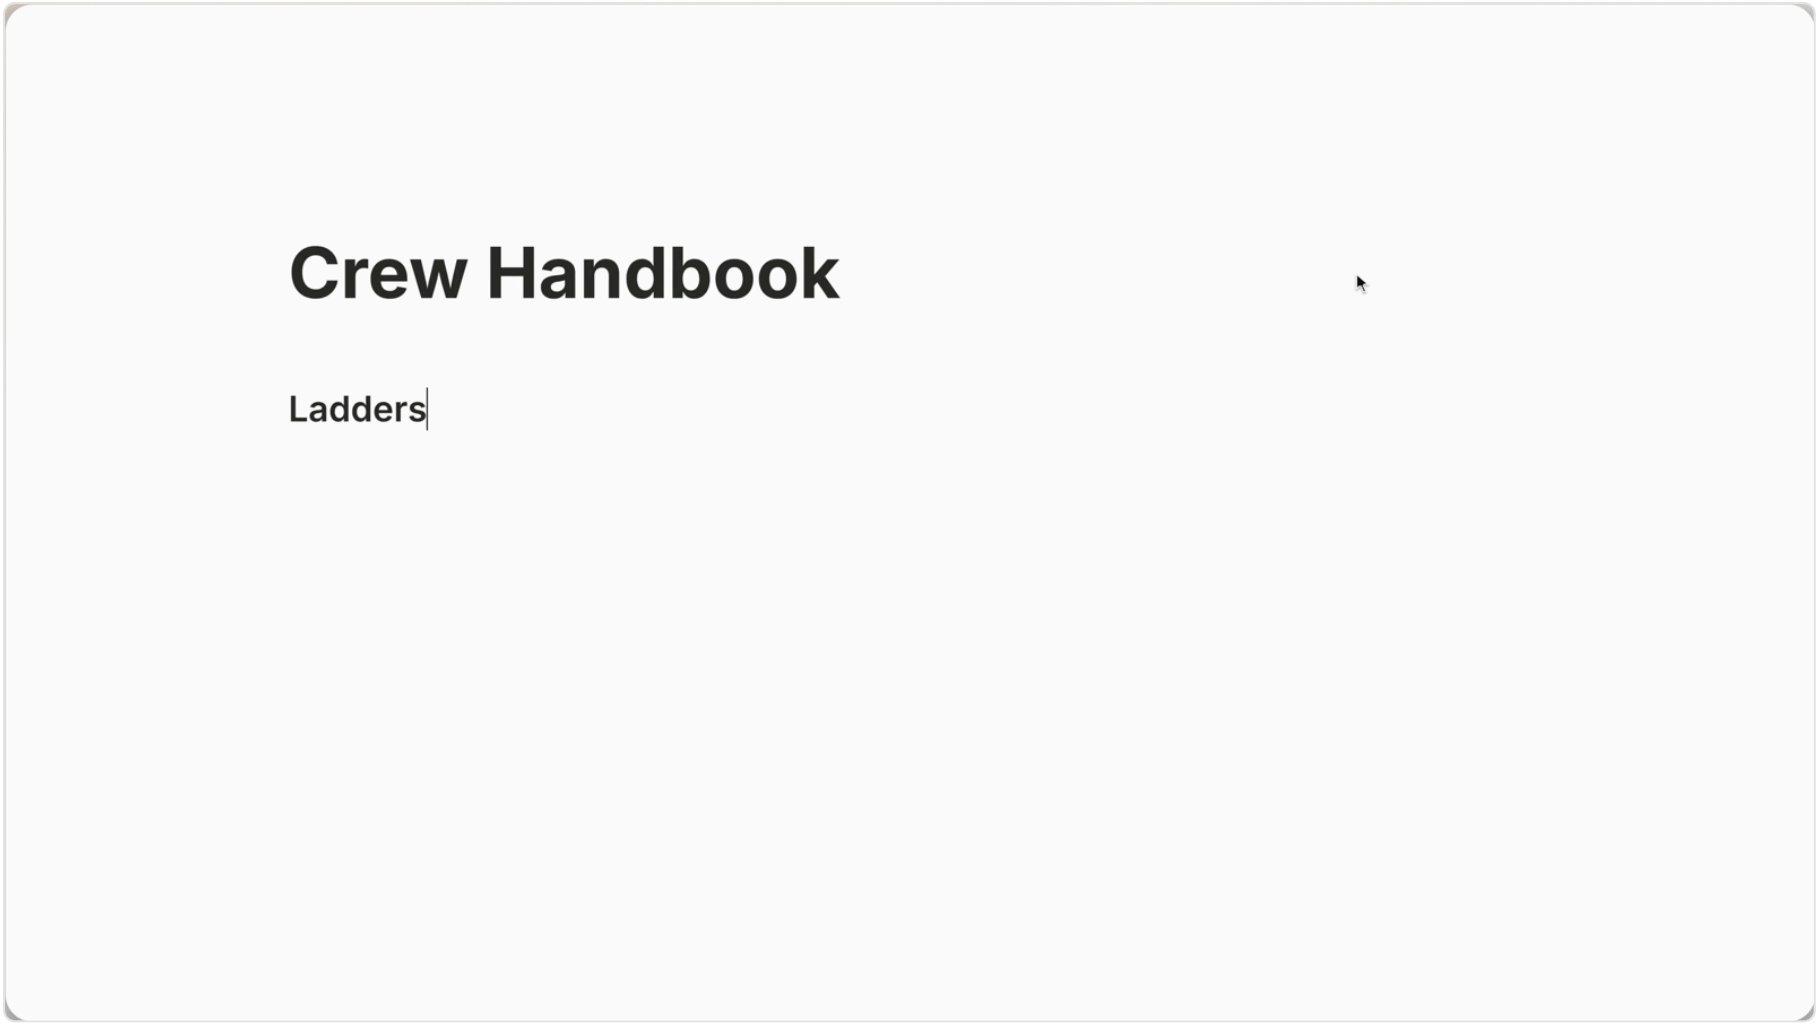

Put your cursor on the empty line where it should go.

Step 2 of 3

Type ### and a space, then the heading

Three # signs make Heading 3, the smallest of the main headings.

Step 3 of 3

Press Enter and write under it

After a heading, Enter starts a normal line.
