3 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 3

Click below the page title

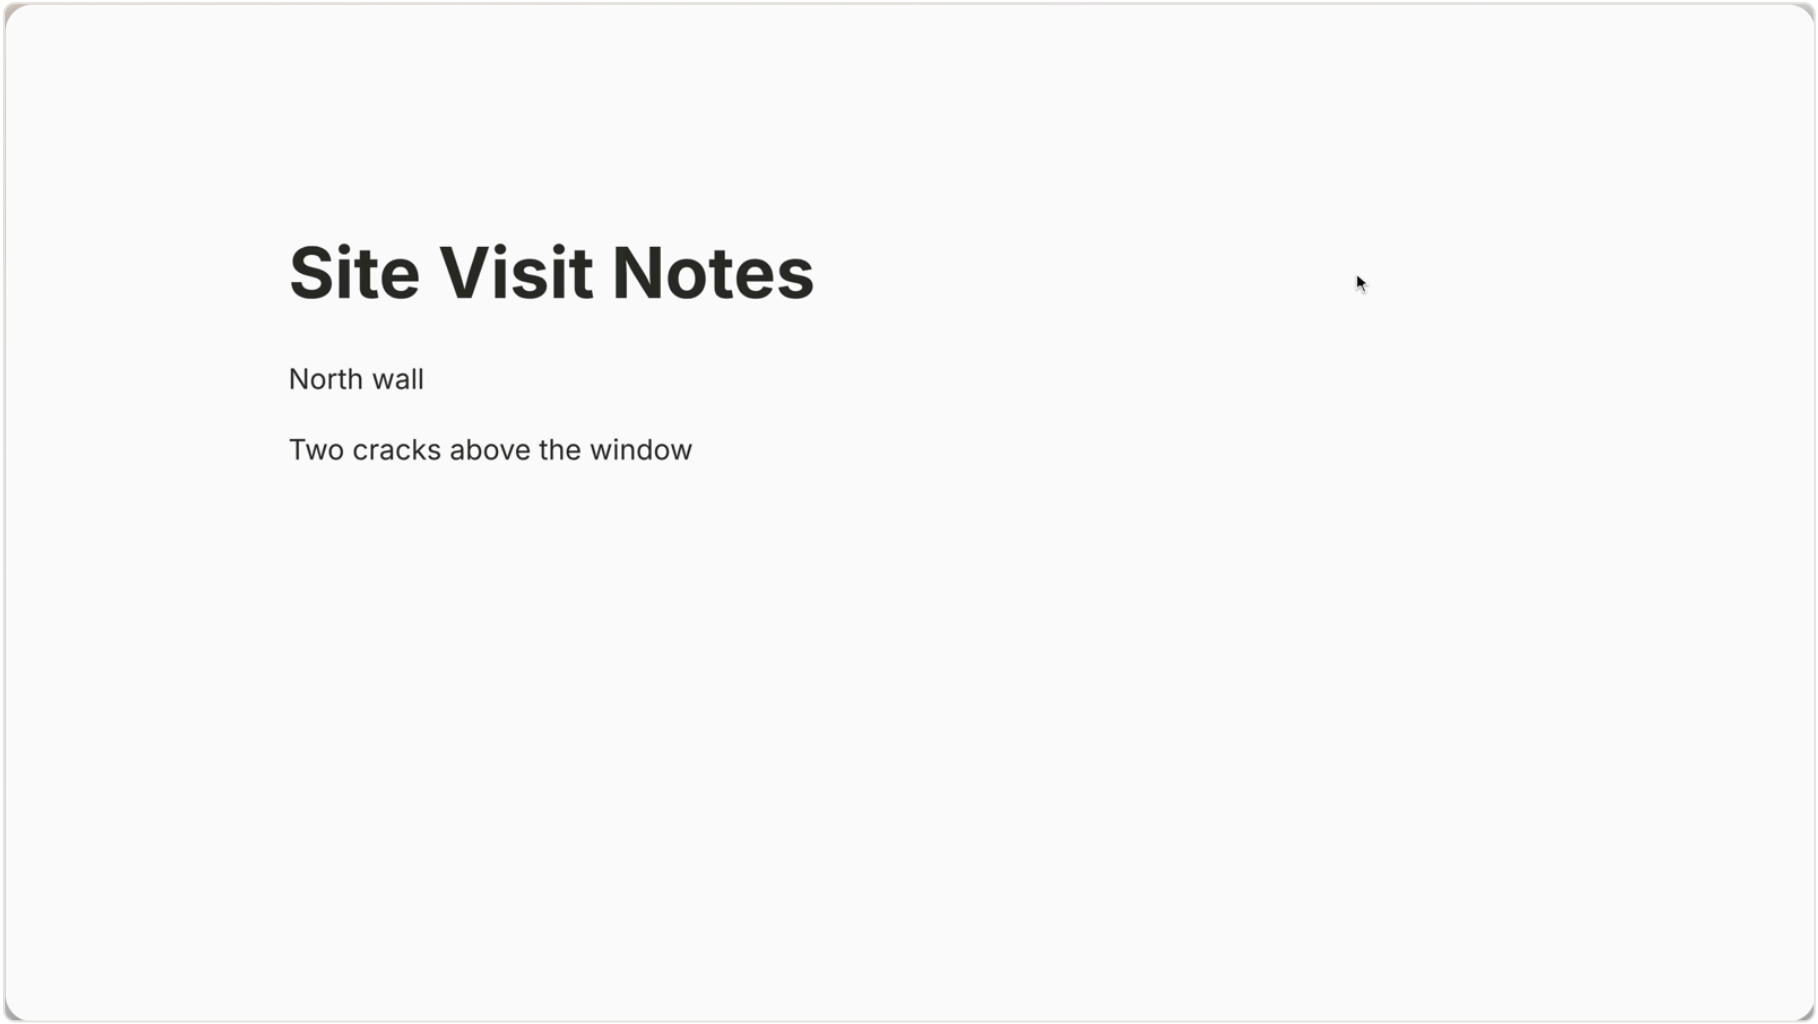

Put your cursor on the empty line where it should go.

Step 2 of 3

Here are two lines

The second one belongs under the first.

Step 3 of 3

Press Tab

The line moves in under the one above and becomes part of it. Shift+Tab moves it back out.
