NOTION HOW-TO

How to add an inline equation

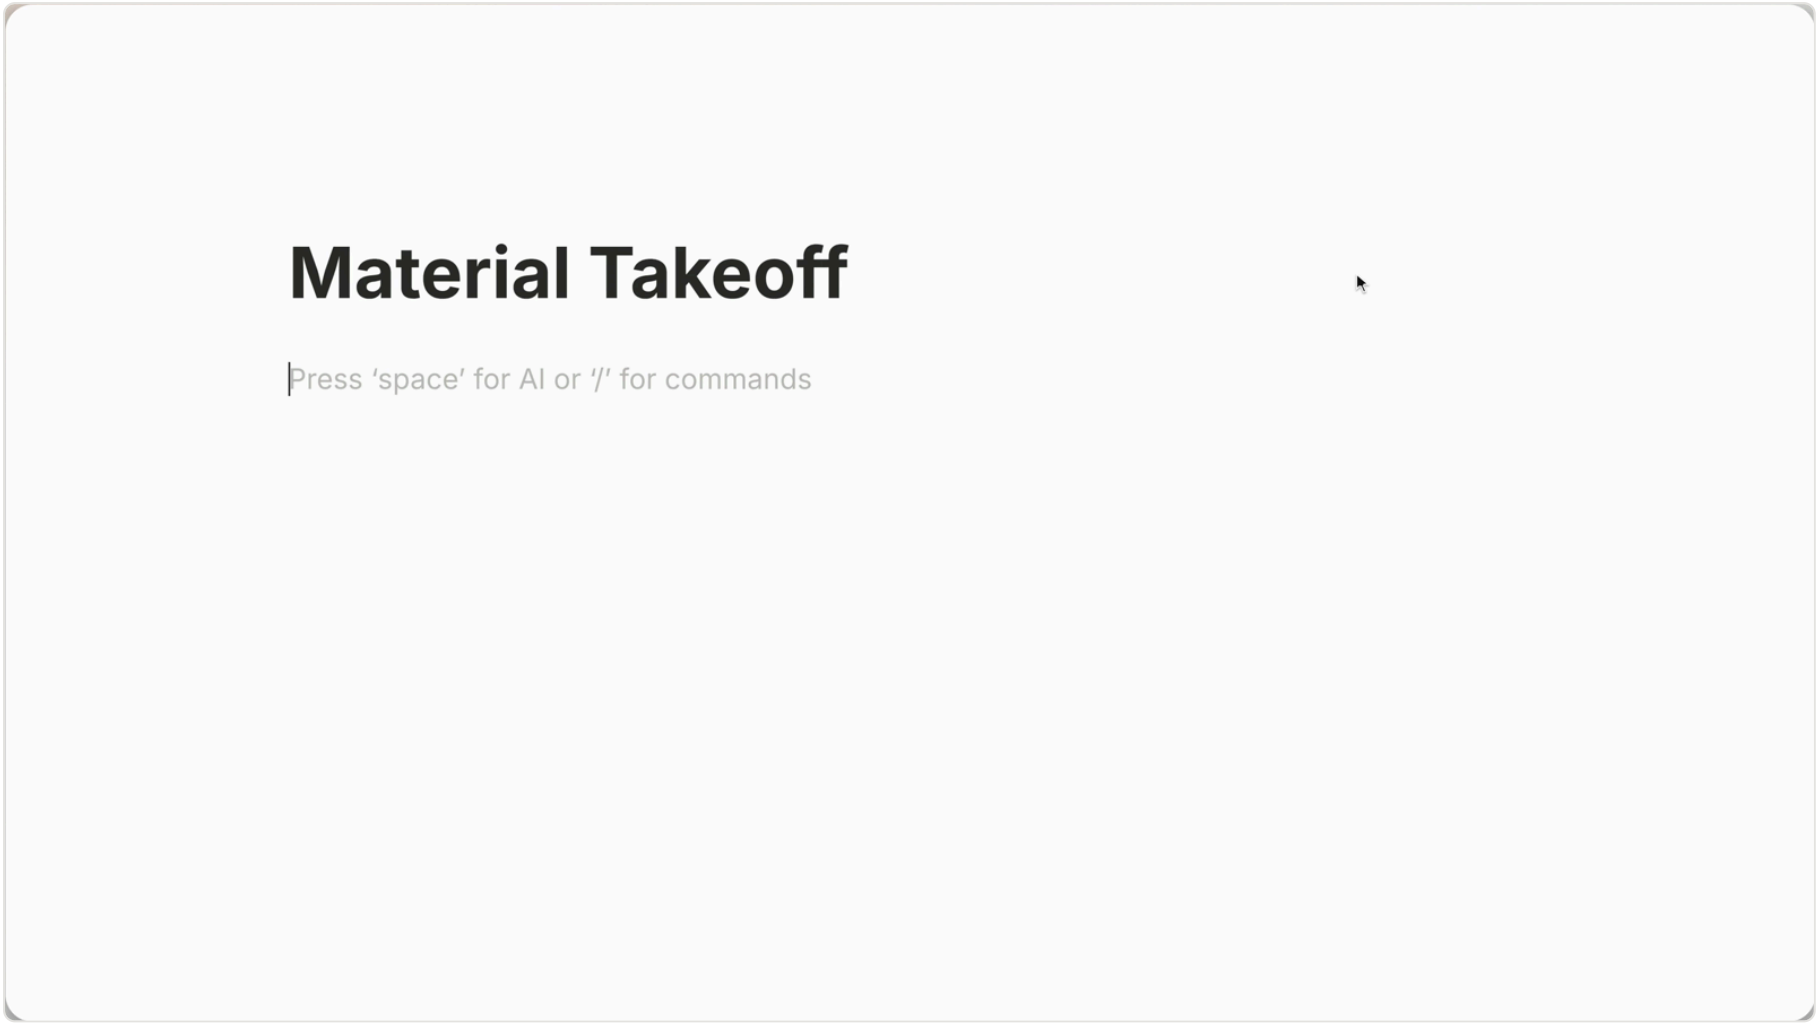

1. Click below the page title
2. Start the sentence
3. Type the formula between $$ and $$

3 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 3

Click below the page title

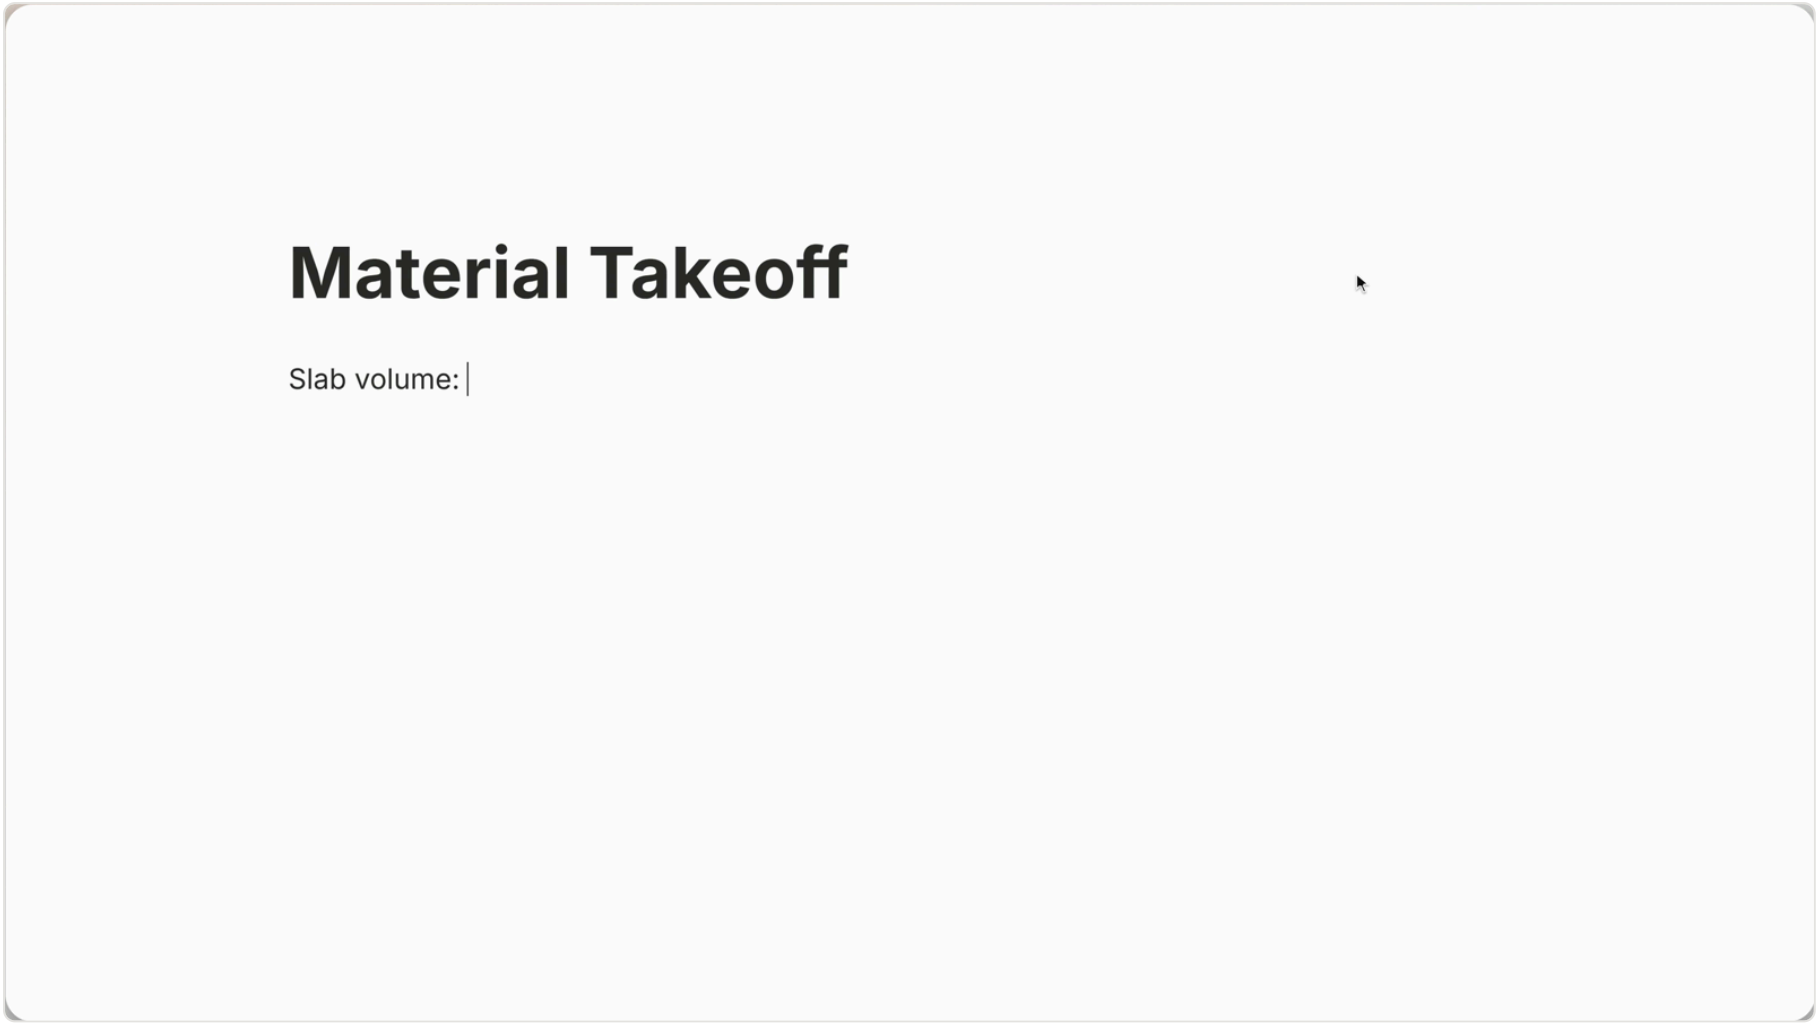

Put your cursor on the empty line where it should go.

Step 2 of 3

Start the sentence

The formula will sit inside this line.

Step 3 of 3

Type the formula between $$ and $$

When you type the closing $$, Notion turns the text between them into a formula.
