NOTION HOW-TO

How to start a new line inside a block

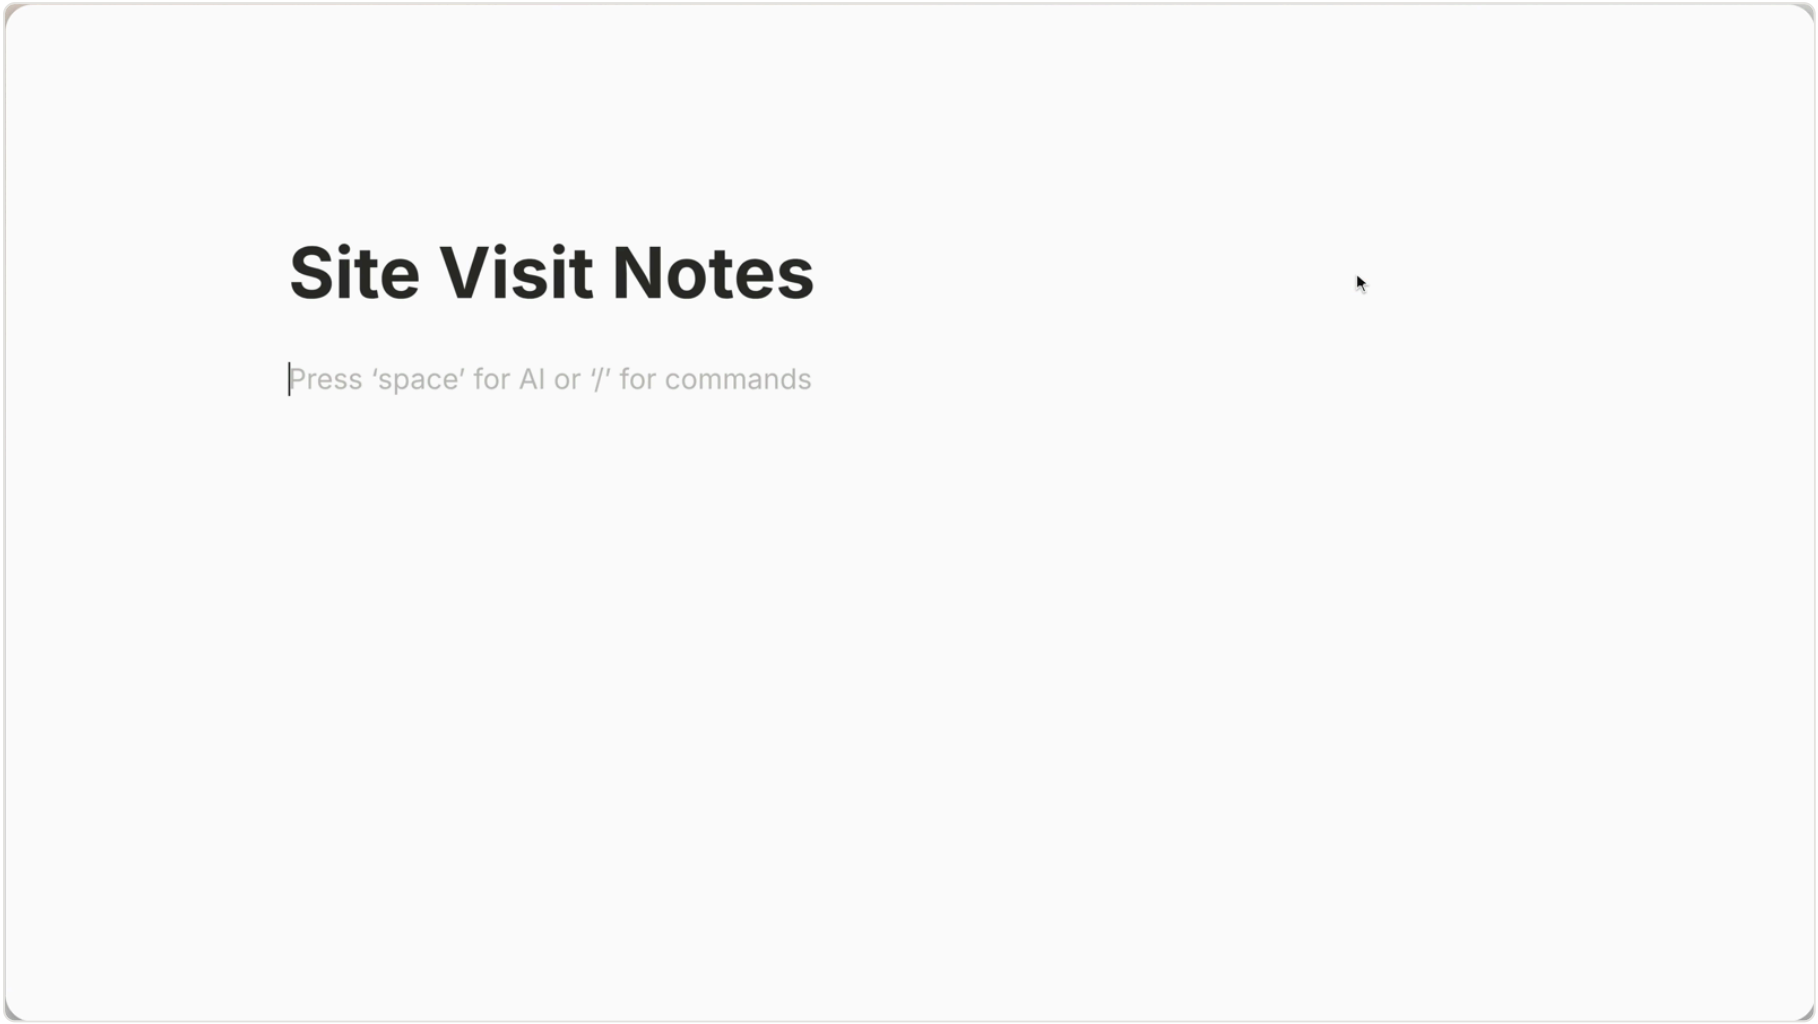

1. Click below the page title
2. Type the first line
3. Press Shift+Enter, then keep typing

3 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 3

Click below the page title

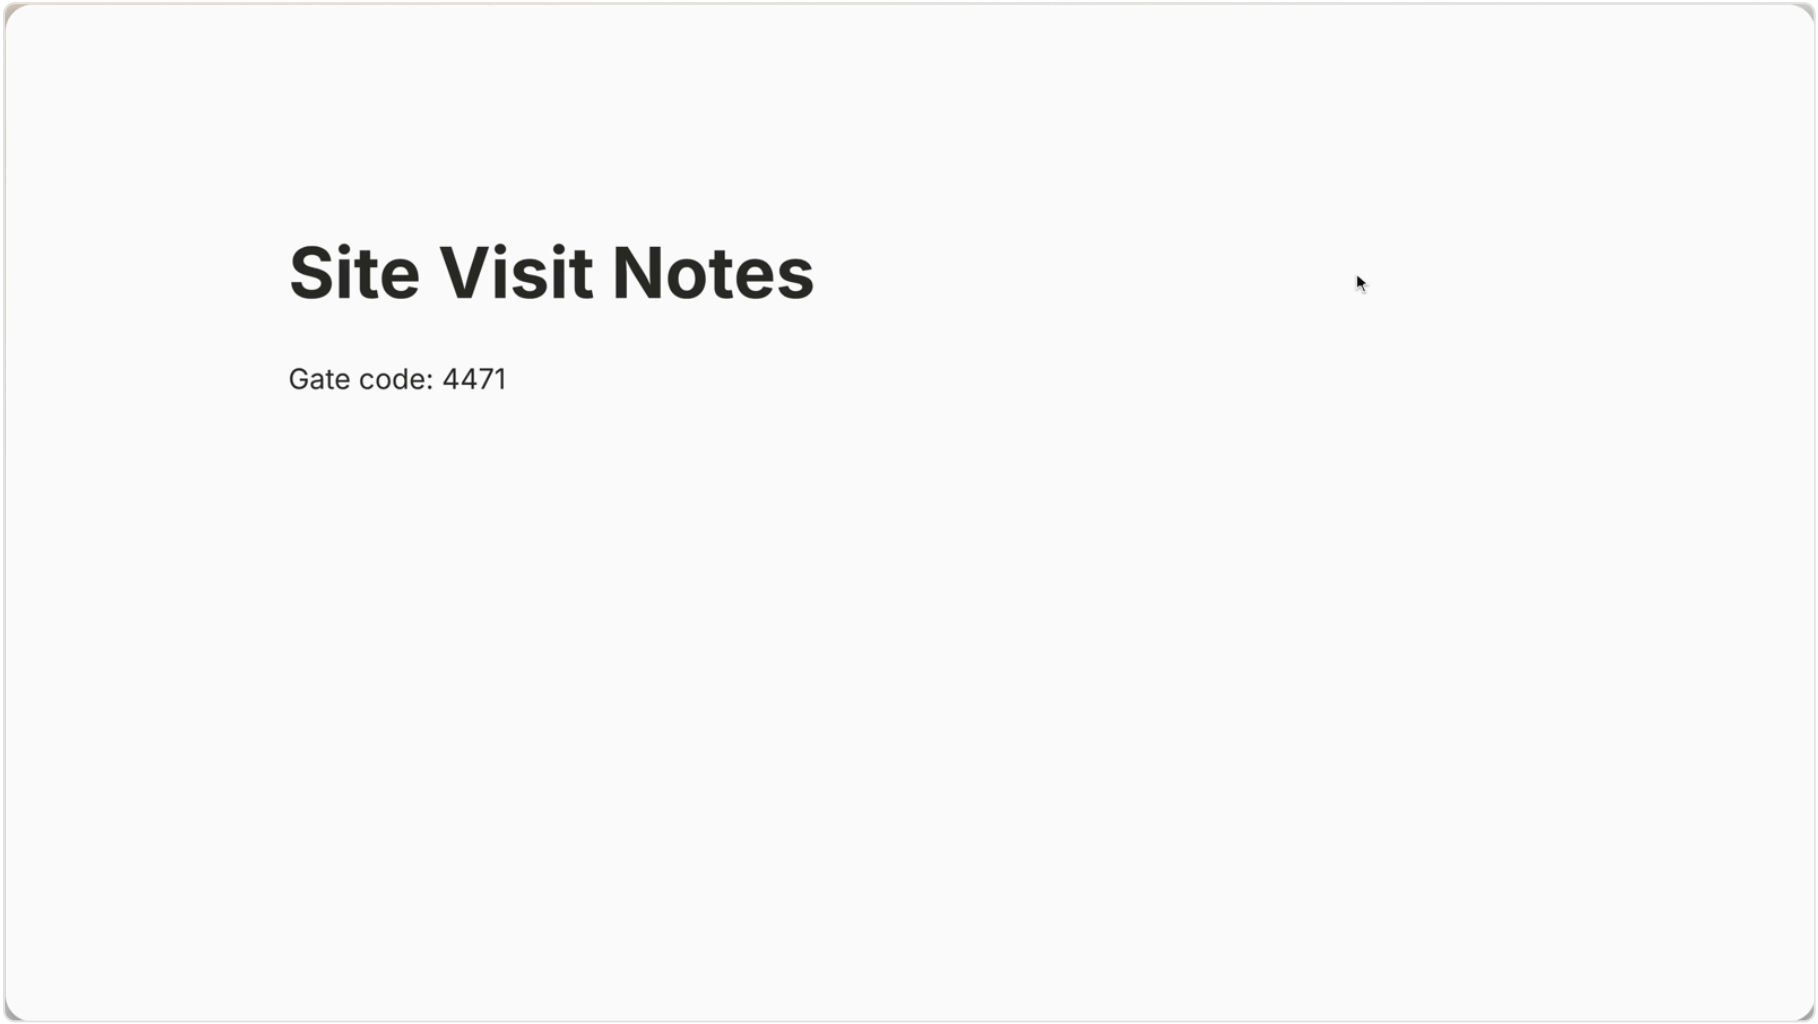

Put your cursor on the empty line where it should go.

Step 2 of 3

Type the first line

Enter would start a new block.

Step 3 of 3

Press Shift+Enter, then keep typing

The new line stays in the same block, so it moves and colors as one.
