How to move a line down with the keyboard

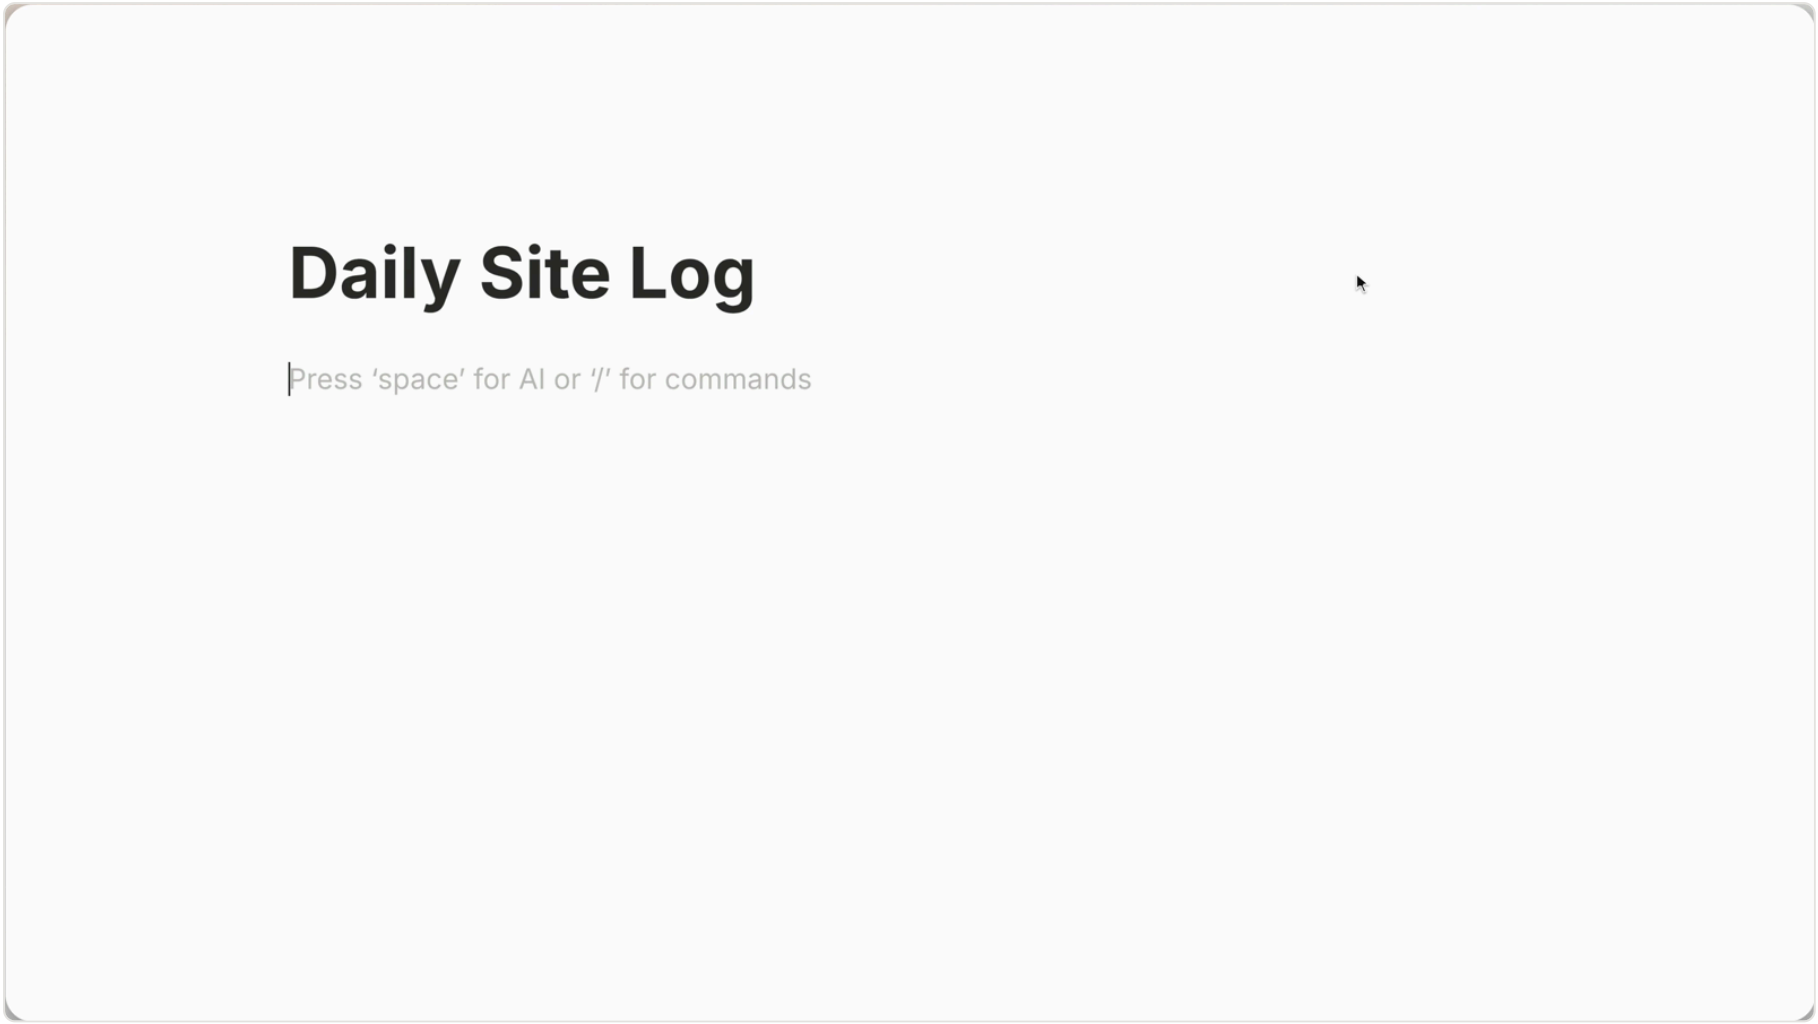

1. Click below the page title
2. Click the line you want to move
3. Press Ctrl+Shift+Down

3 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 3

Click below the page title

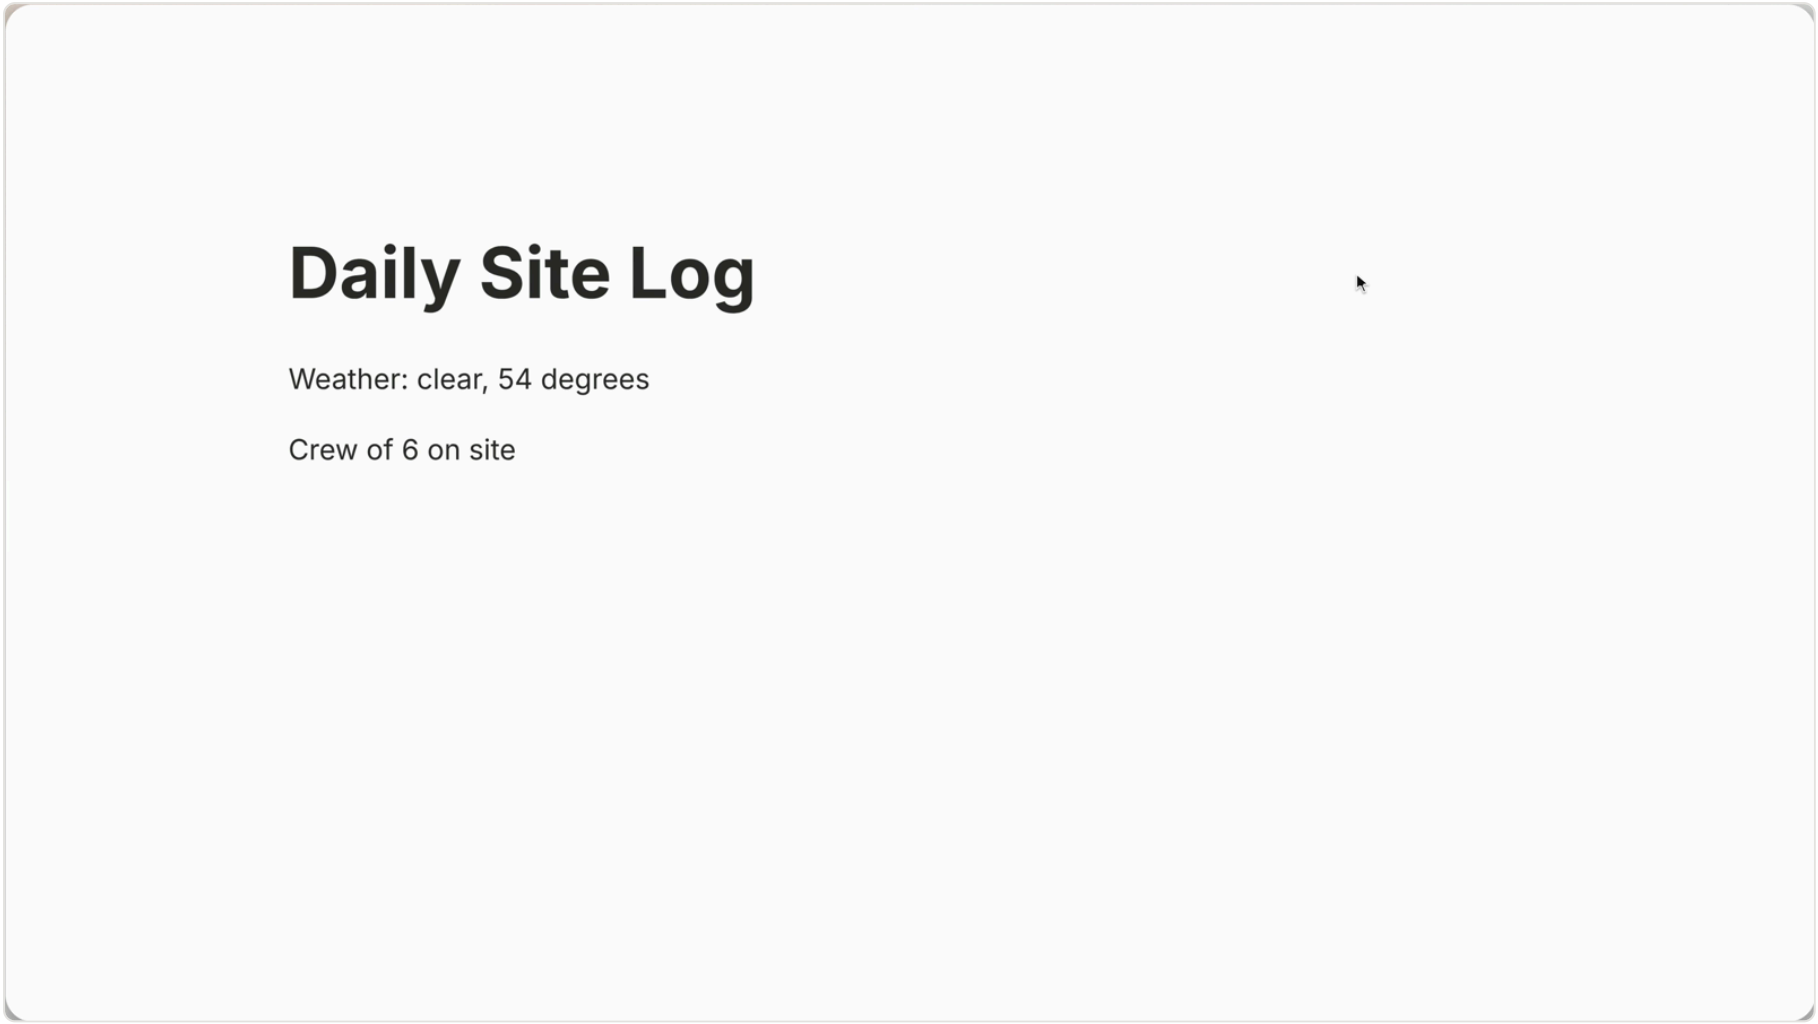

Put your cursor on the empty line where it should go.

Step 2 of 3

Click the line you want to move

Here the weather should come after the crew count.

Step 3 of 3

Press Ctrl+Shift+Down

The line moves down one place. Ctrl+Shift+Up moves it back up.
