NOTION HOW-TO

How to write several lines in a callout

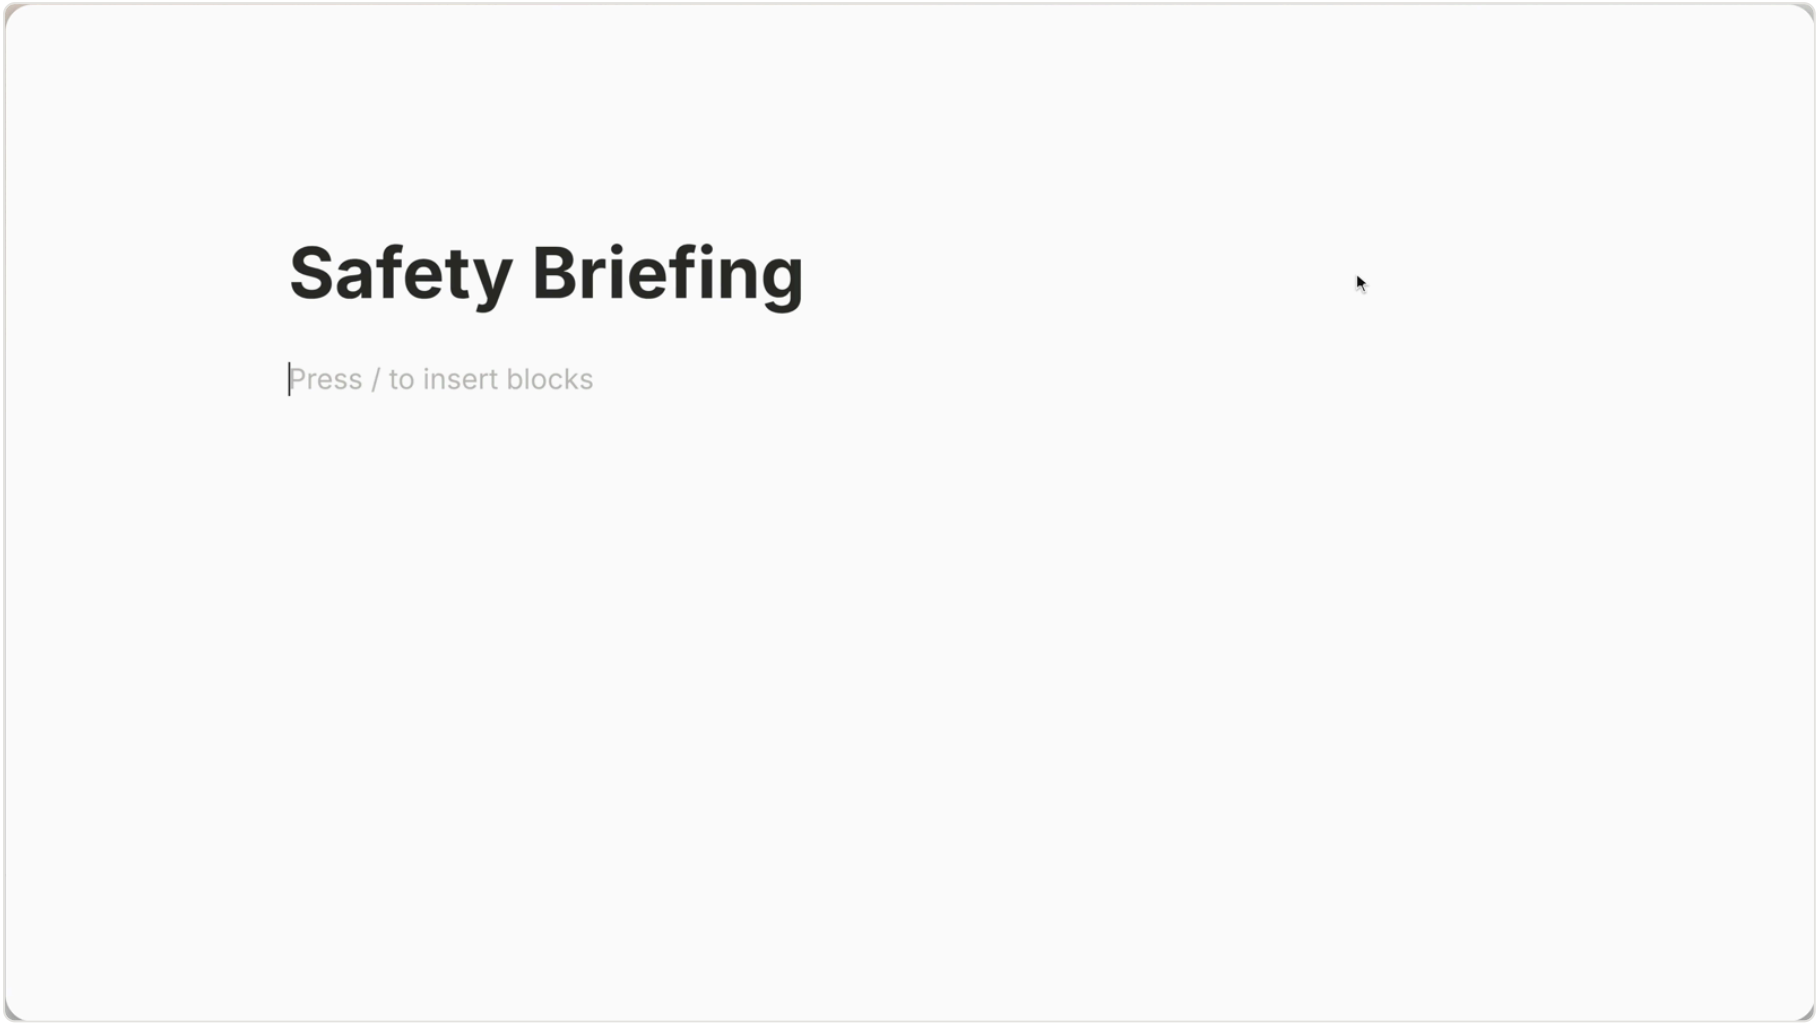

1. Click below the page title
2. Make a callout and type the first line
3. Press Shift+Enter for each new line

3 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 3

Click below the page title

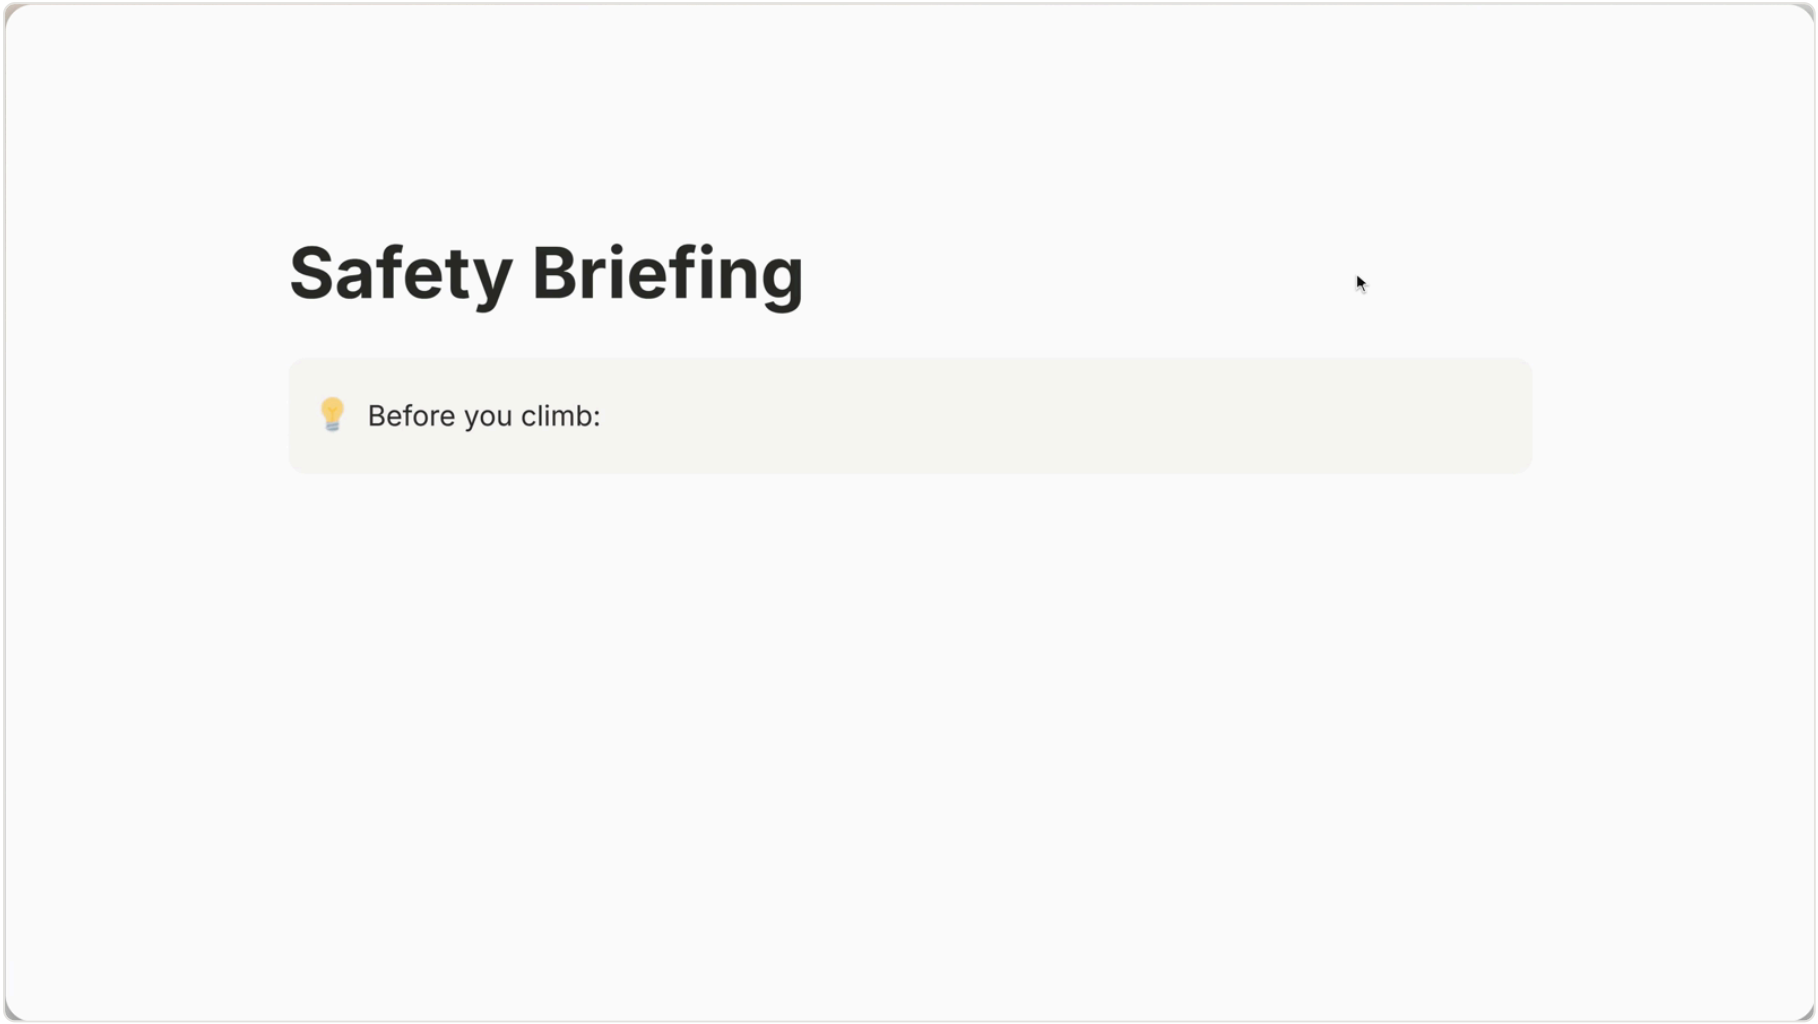

Put your cursor on the empty line where it should go.

Step 2 of 3

Make a callout and type the first line

The callout holds the whole message.

Step 3 of 3

Press Shift+Enter for each new line

Shift+Enter adds a line inside the callout. Plain Enter would start a new block below it.
