NOTION HOW-TO

How to see a page's version history

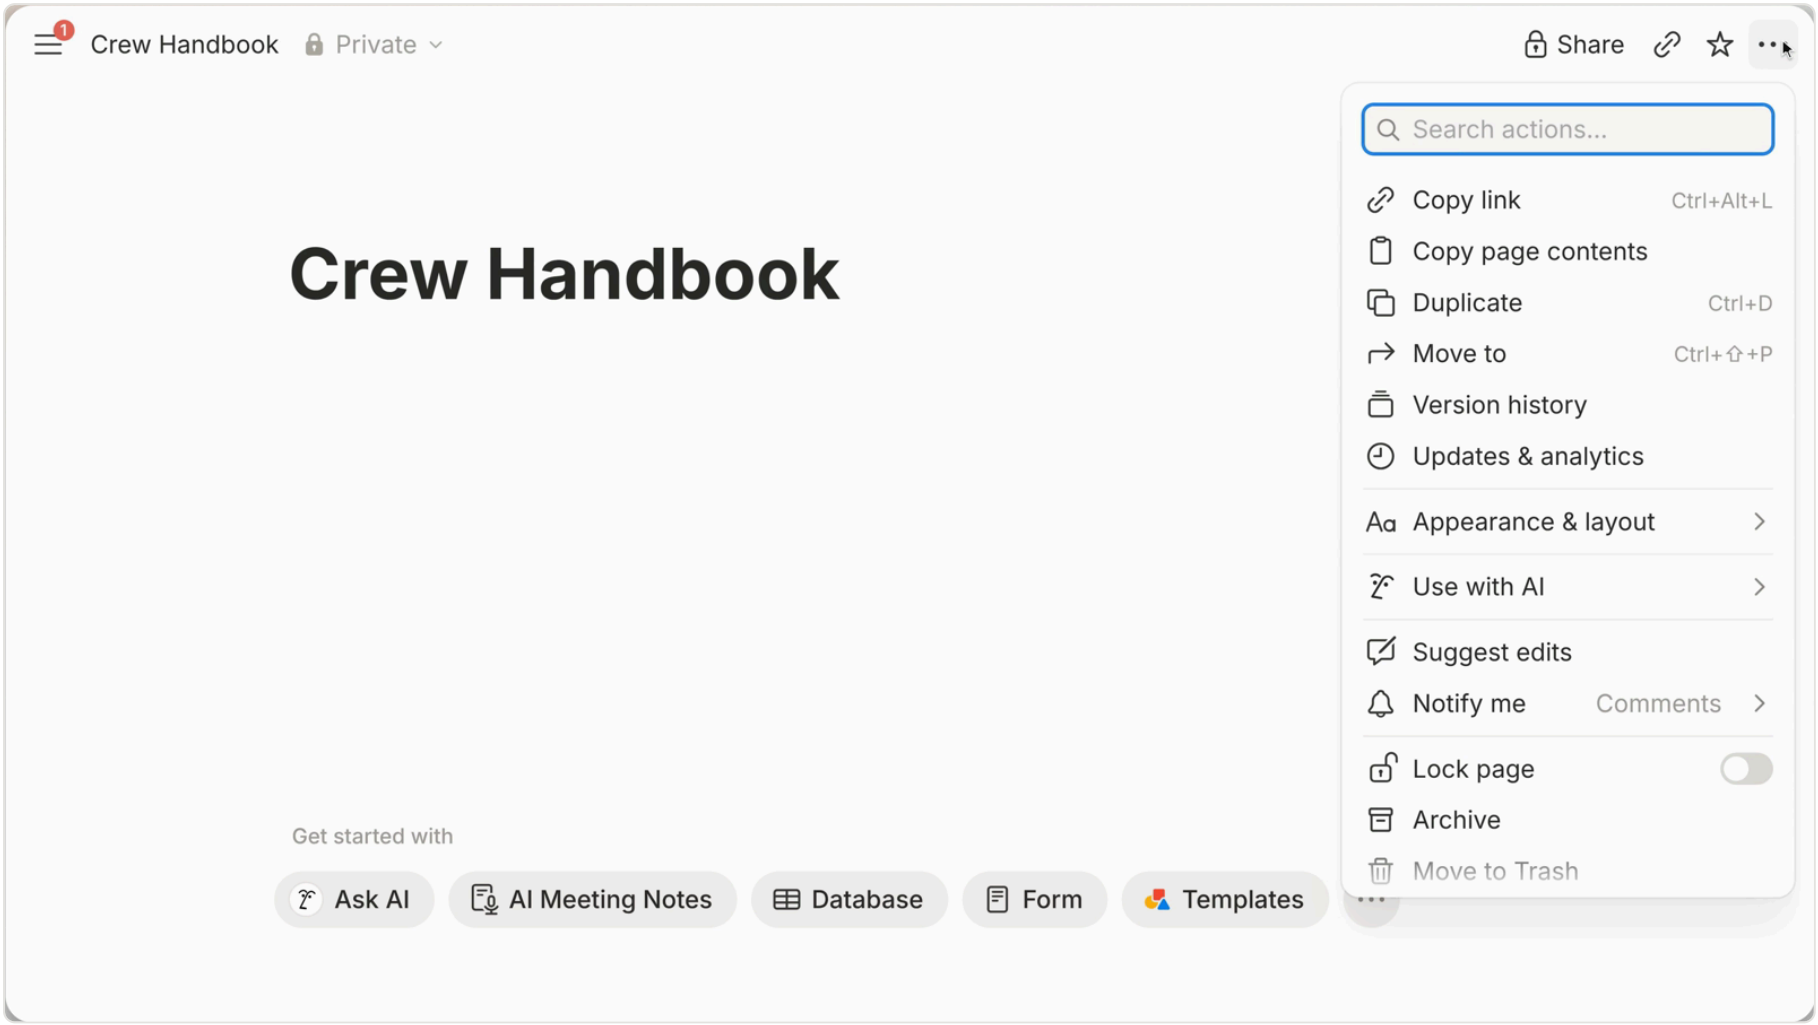

1. Click the ••• at the top right
2. Choose Version history
3. Click an older version

3 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 3

Click the ••• at the top right

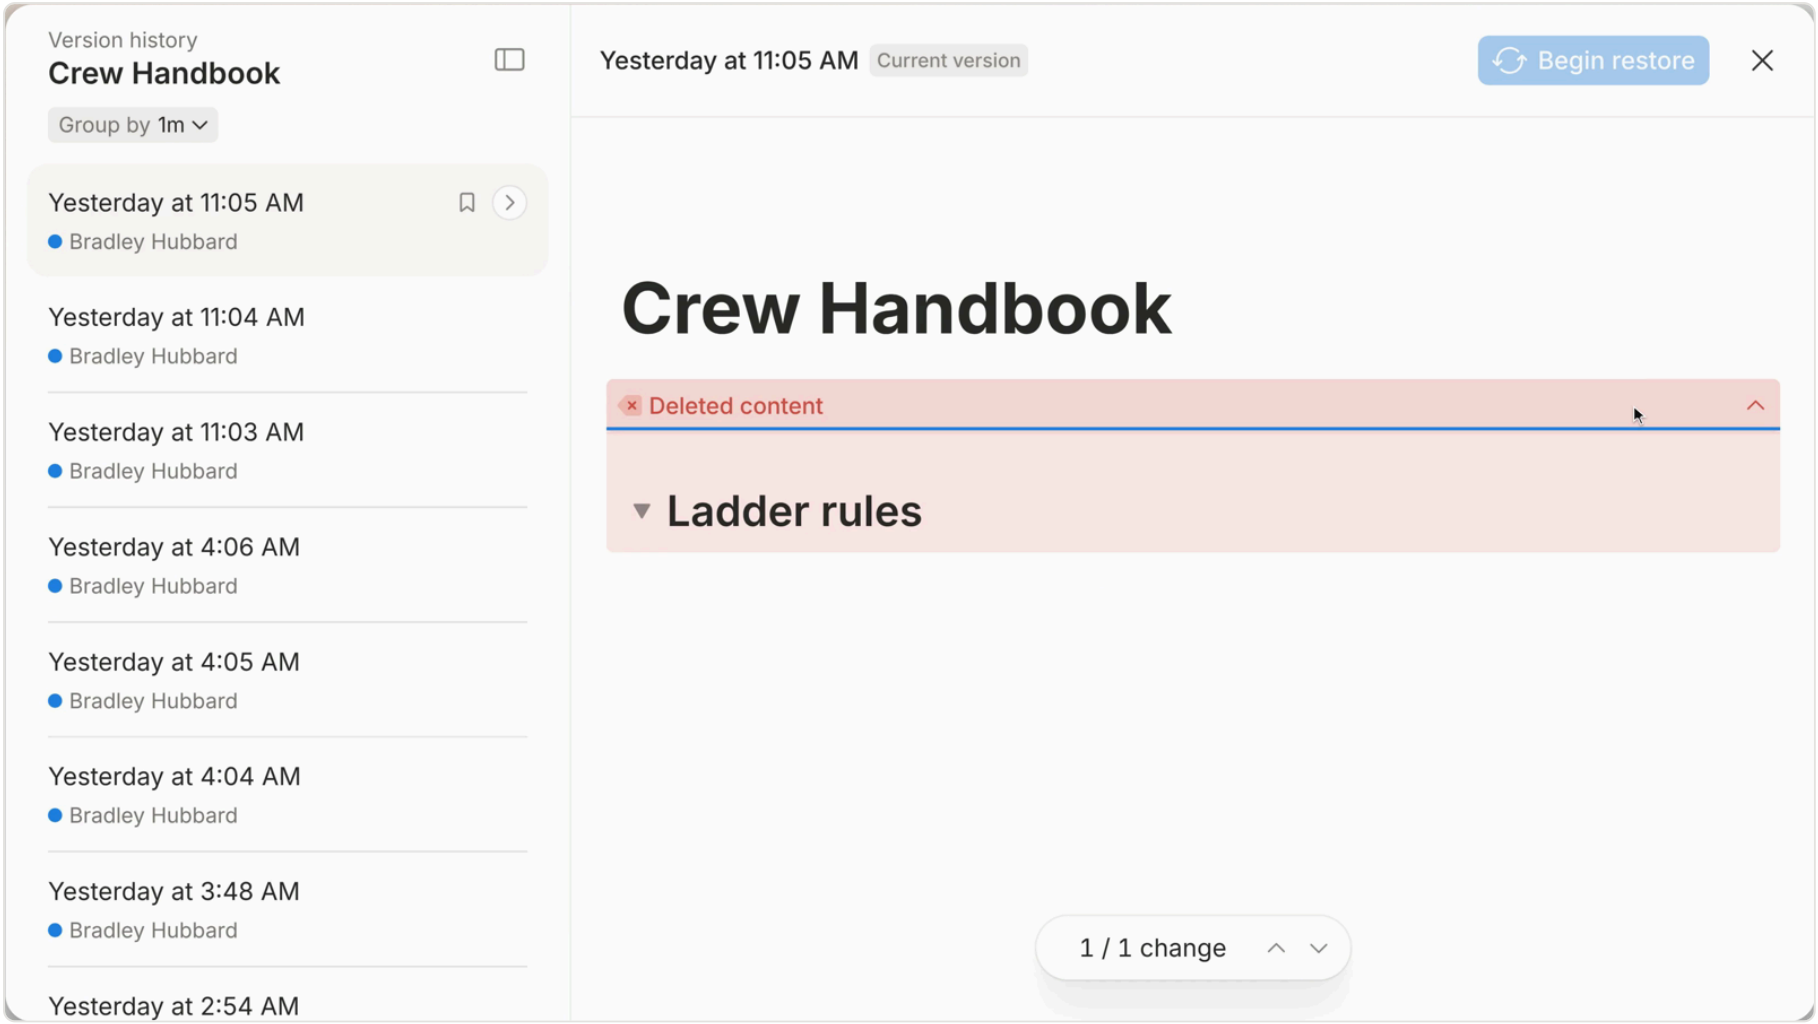

The page menu holds the page's own settings.

Step 2 of 3

Choose Version history

Every saved version of the page is listed on the left, newest first.

Step 3 of 3

Click an older version

Its changes are highlighted: added text in blue, removed text in red. Begin restore would bring the page back to it.
