NOTION HOW-TO

How to select several blocks

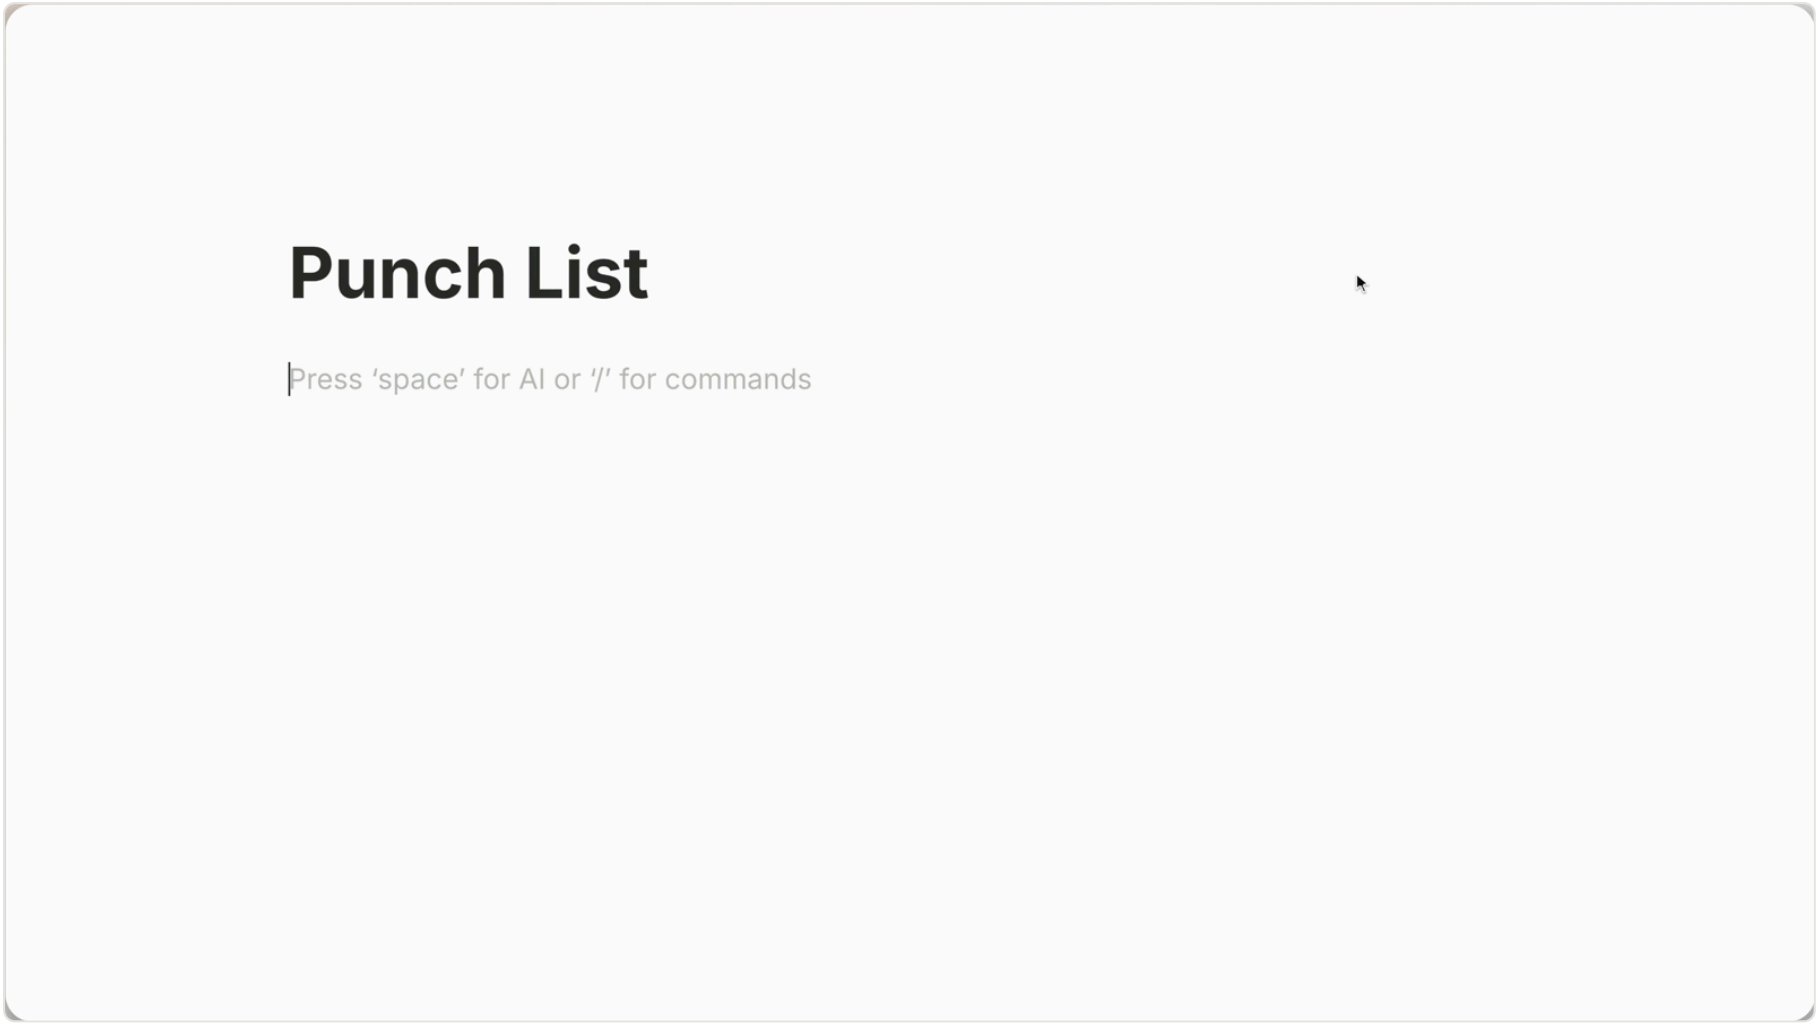

1. Click below the page title
2. Here are three to-dos
3. Press Esc to select the block you are in
4. Hold Shift and press the up arrow

4 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 4

Click below the page title

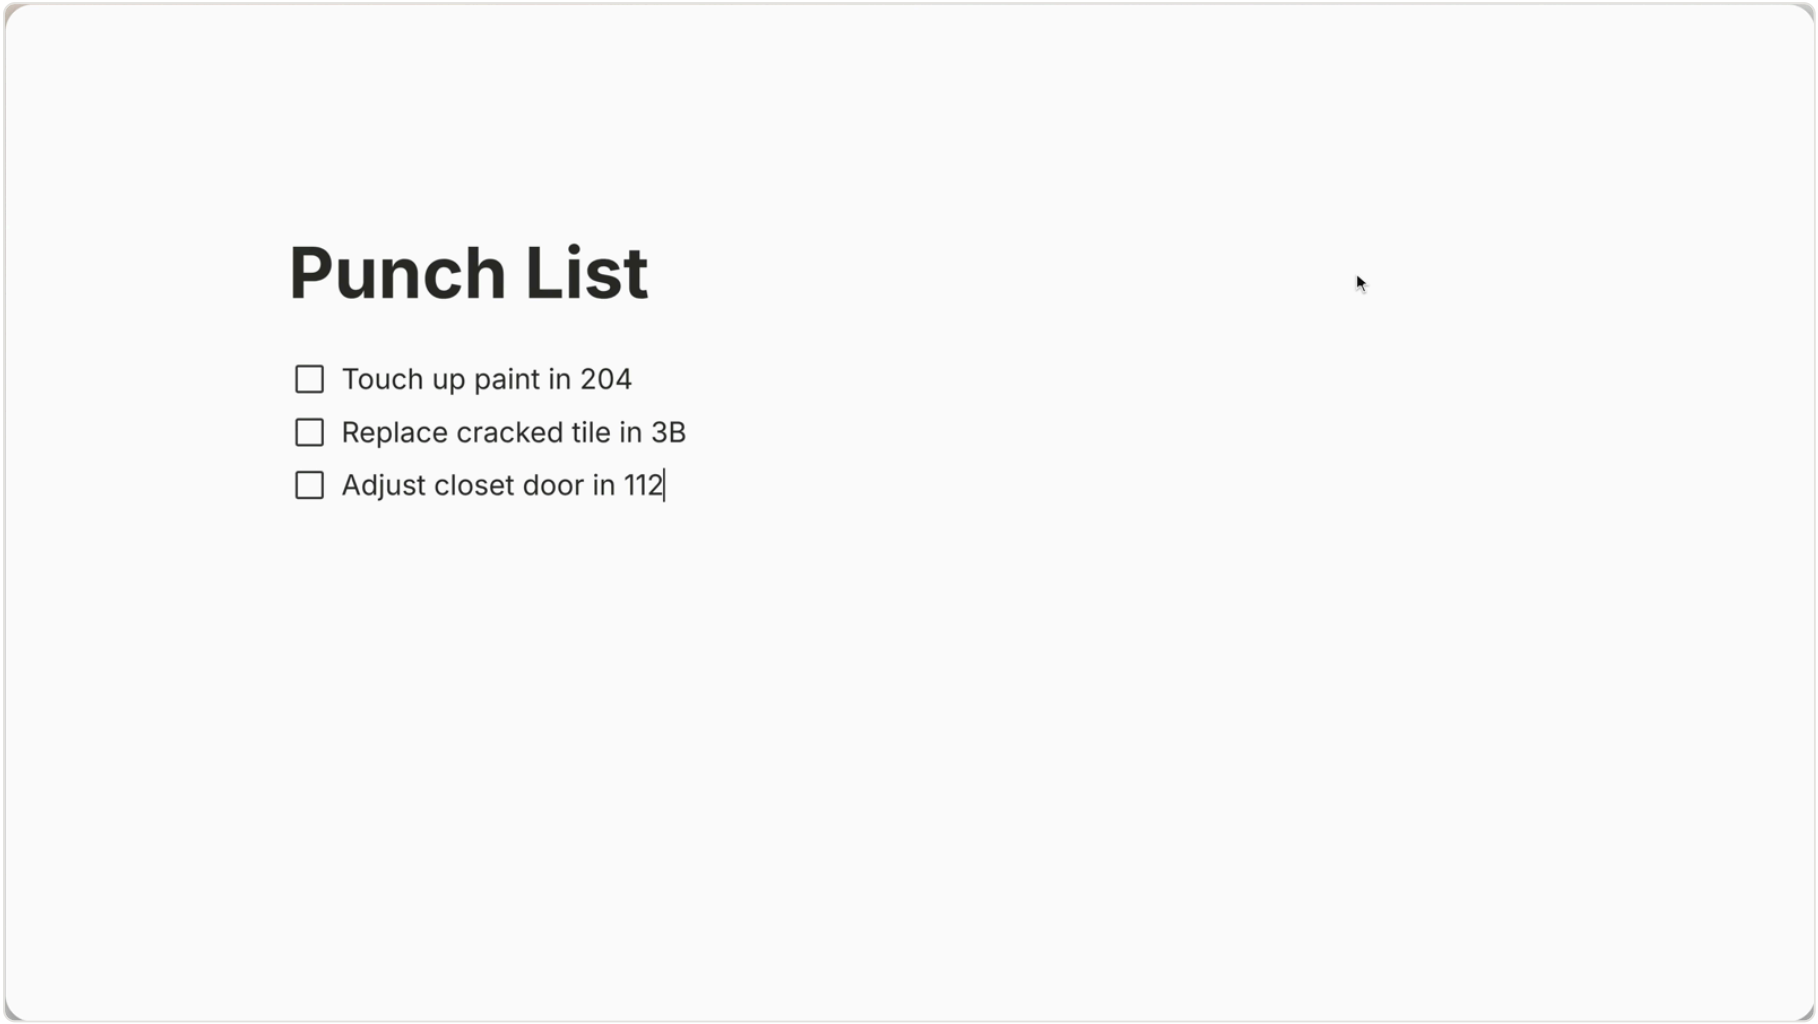

Put your cursor on the empty line where it should go.

Step 2 of 4

Here are three to-dos

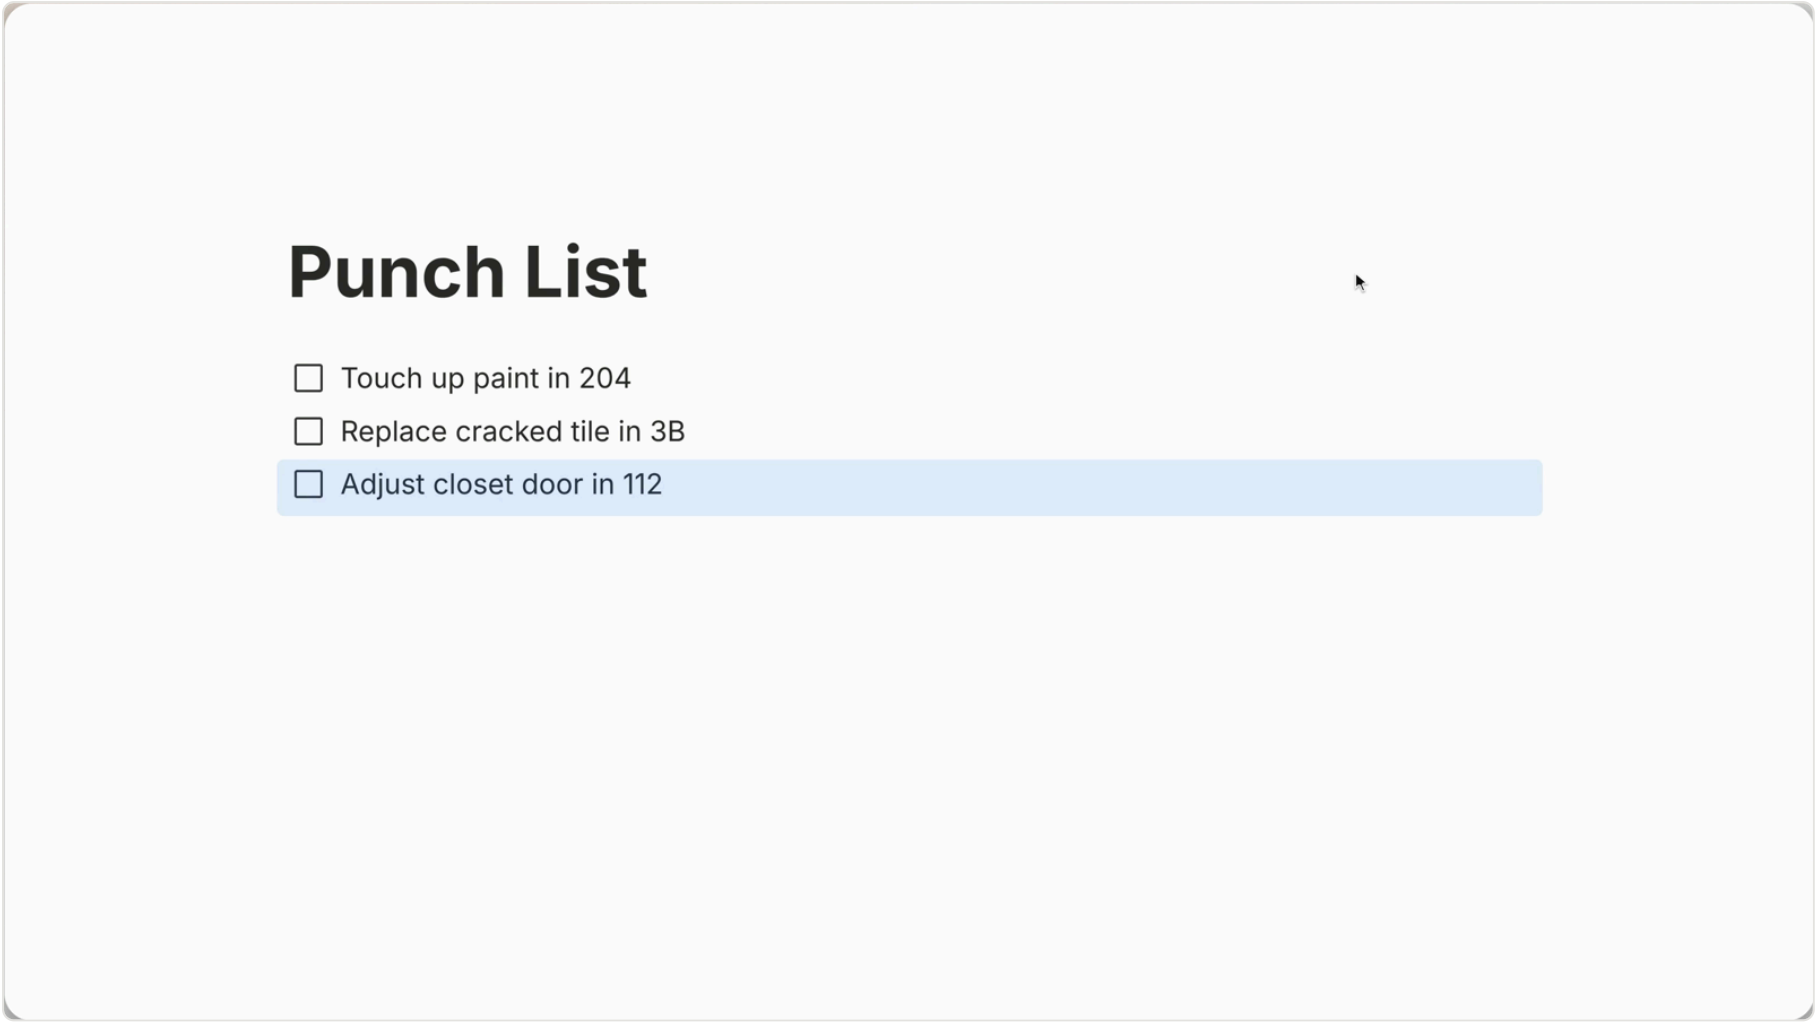

Each line is its own block.

Step 3 of 4

Press Esc to select the block you are in

A selected block turns blue.

Step 4 of 4

Hold Shift and press the up arrow

Each press adds the block above. Now any change, like a color or a delete, applies to all of them.
