NOTION HOW-TO

How to put content side by side in columns

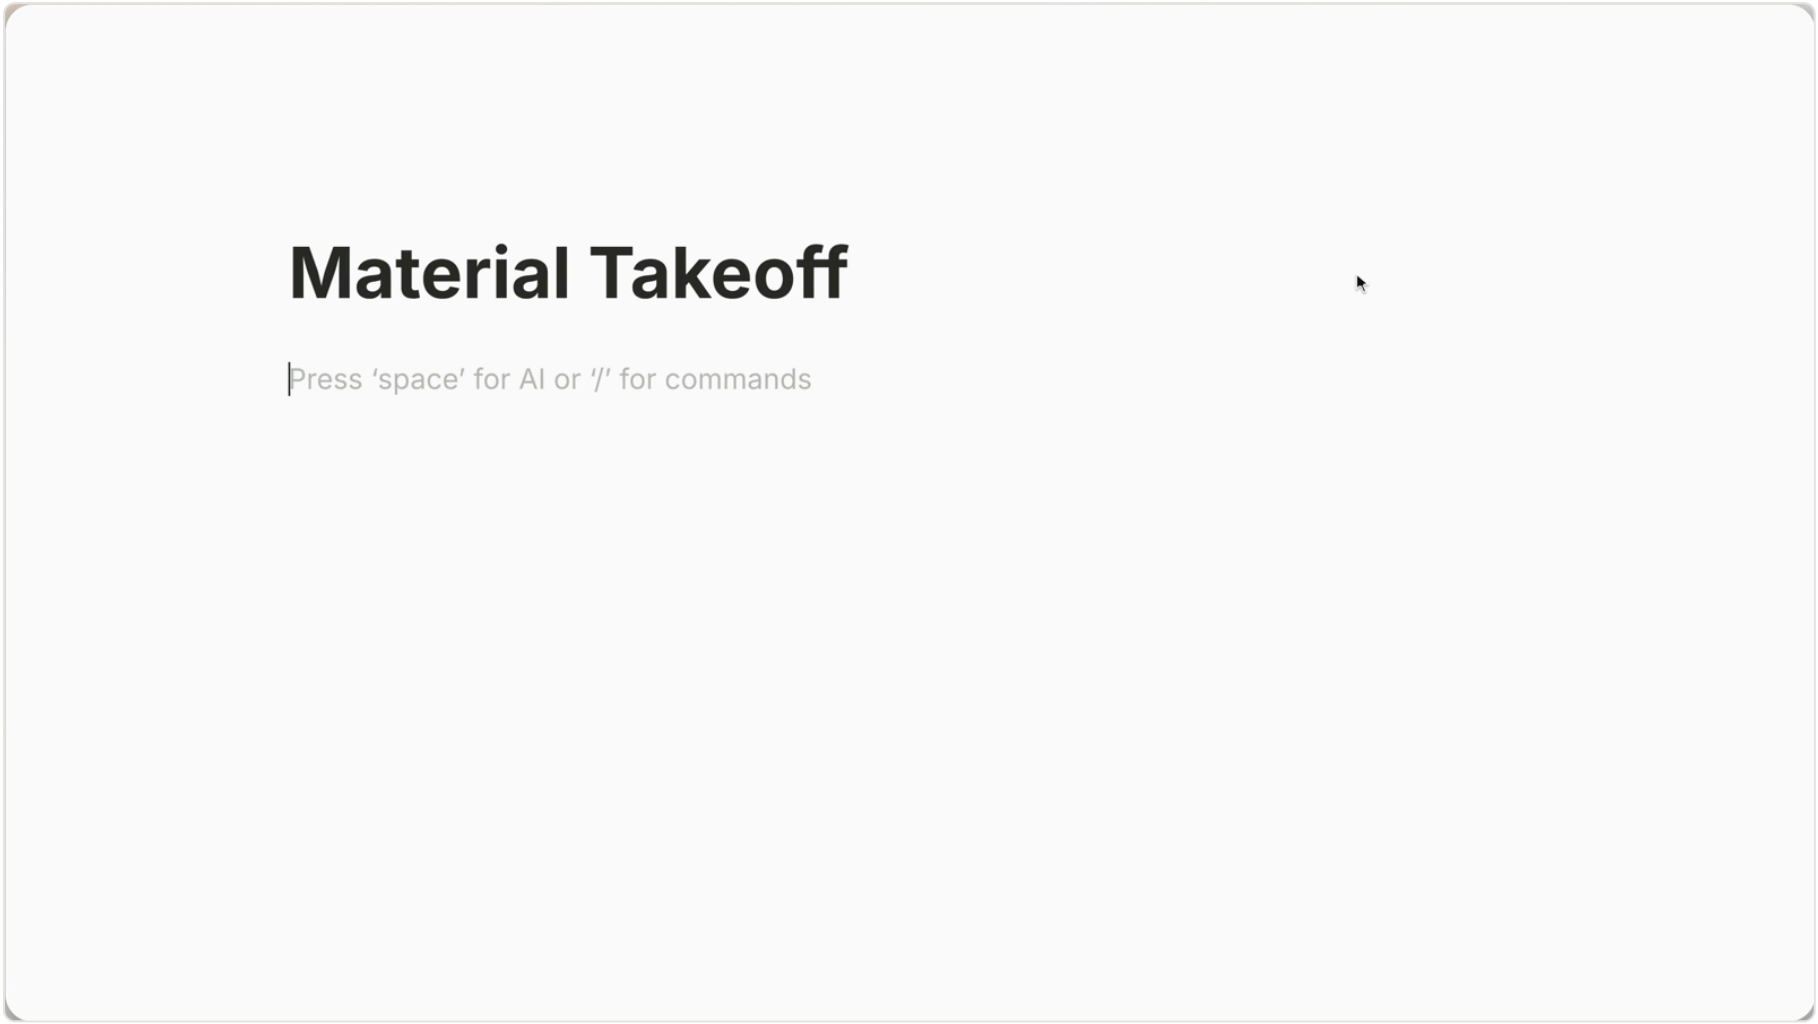

1. Click below the page title
2. Type /2 col and choose 2 columns
3. Type in the left column
4. Click the right column and type

4 steps. Watch the video or a step's GIF for the motion; this guide holds each step's result.

Step 1 of 4

Click below the page title

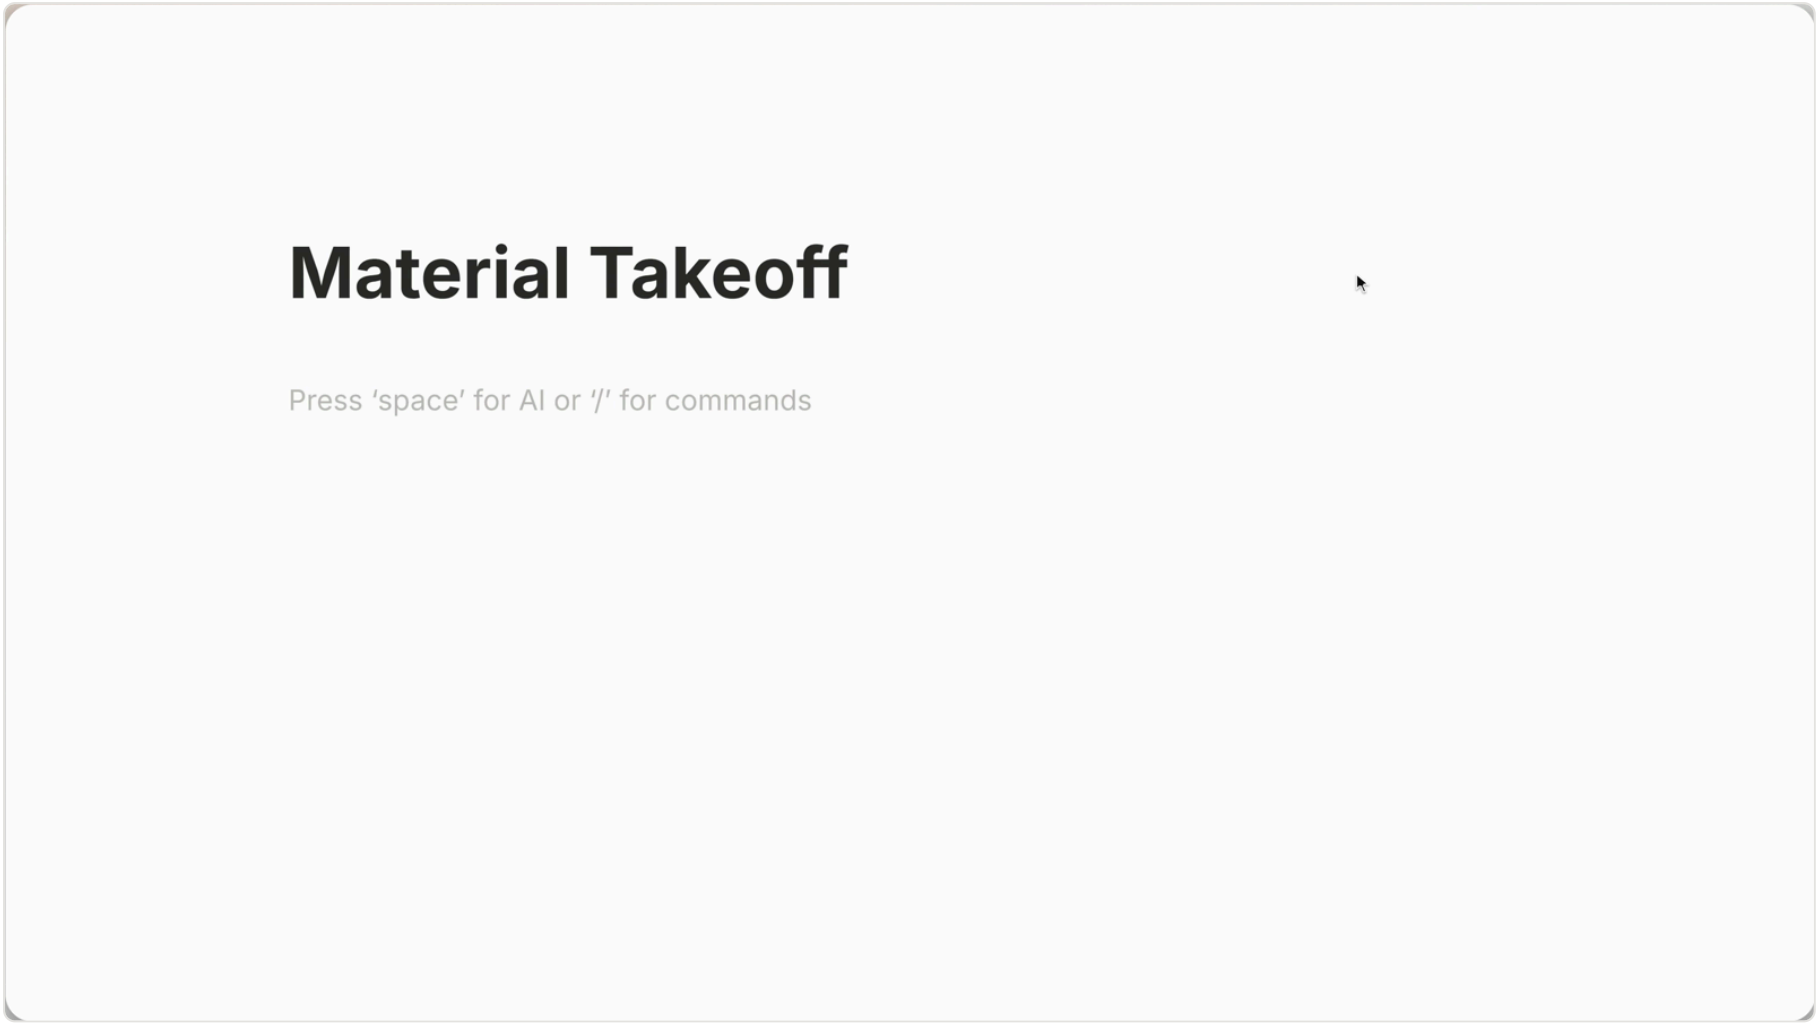

Put your cursor on the empty line where it should go.

Step 2 of 4

Type /2 col and choose 2 columns

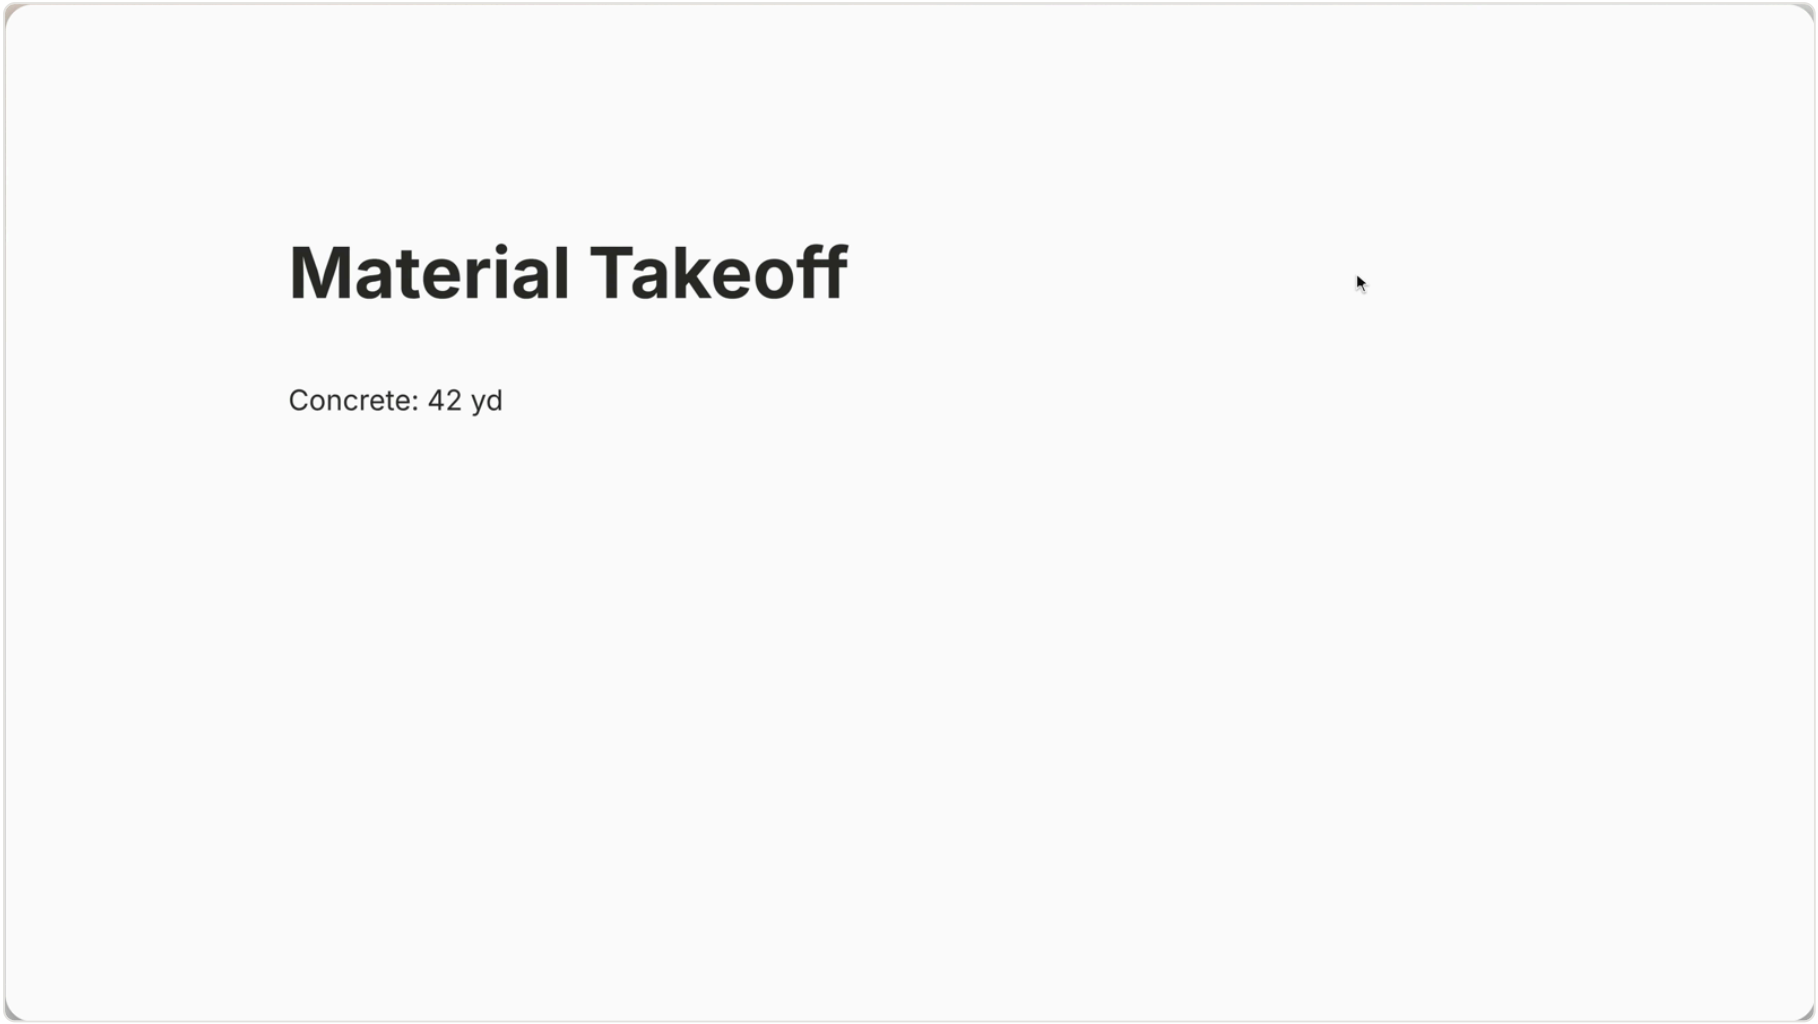

Two empty columns appear side by side, and the cursor is in the left one.

Step 3 of 4

Type in the left column

Each column holds any blocks you like: text, lists, to-dos.

Step 4 of 4

Click the right column and type

Drag the line between them to change their widths.
